

DEPARTMENT OF CIVIL ENGINEERING

Brief Report on Expert Lecture by Assistant Engineer, Irrigation Department, Uttar Pradesh for Pre & Final year Students

Expert Lecture on “Preparation of GATE and other Govt. Competitive Exam”

Department of Civil Engineering, Integral University Lucknow organized Expert Lecture for Pre & Final year students on “**Preparation of GATE and Other Govt. Competitive Exam**” speaker for the day was Er. Mohd Monis Khan, Irrigation Department, Govt. of Uttar Pradesh. Mr. Mohd Monis Khan was previously deeply connected with Academics. Mr. Khan got selected in GATE several times. He delivered inspiration lecture on “**Preparation of GATE and Other Govt. competitive Exam**”, held on 1st August 2021.

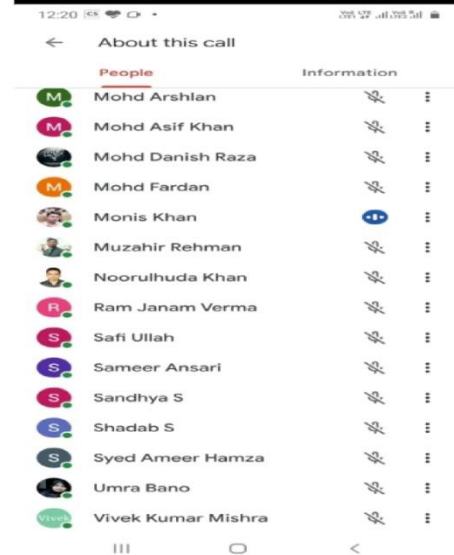

Mr. Mohd Monis Khan was welcomed in this virtual session and introduced to students by Md Sajid, Assistant Professor, on behalf of Head of Department Dr. Syed Aqeel Ahmad.

Mr. Monis Khan started with the phrase “Be an early bird”, there is no too early to start studying when it comes to preparation for the examination. By starting studies for GATE 2022 or other competitive exams, the student will have a lot of time to go through the syllabus and study each topic in details. This will also let students have enough time to revise and strengthen their preparation. The student will have to go themselves a comfortable timeline if they start their preparation for GATE exam 2022.

He emphasized that students will have to plan and study schedule, able to set the number of hours for every subject and topic as per their aptitude. More time can be allotted to those chapters which students find more difficult in comparison. By dividing the topics, the studying process will also become less monotonous. To understand their progress of preparation, students may appear in the different mock tests. Further, maintaining some vigour for preparation through the months is important and consistency is the key.

Finally, he conveyed best of luck to dear students and advise that to do well in the exams they have to be healthy both physically and mentally.

The Programme ended with vote of thanks delivered by Mr. Anwar Ahmad, Associate Professor on the behalf of Head of Department, Civil Engineering, Integral University Lucknow. Mr. Anwar Ahmad thanks Mr. Mohd Monis Khan for sparing his valuable time and motivational works.
