

# COVID-19 Vaccine Communication Strategy

*Integral University*

*Presents....*

*Theme: Vaccines Brings Us closer*

COVID-19 is now showing a declining graph in varying degrees globally, vaccination is the only step to eliminate the scare and volatility of this era. "COVID-19 Vaccine Communication Strategy" is being published by Ministry of Health and Welfare to disseminate timely, accurate and transparent information to generate awareness and alleviate apprehensions and fears regarding COVID-19 vaccines in community. As a part of this awareness Programme, Department of Biosciences, Integral University, Lucknow is organizing an Online Quiz Competition.
