

## A brief report on Alumni Interaction organized by the Department of Civil Engineering Integral University Lucknow

An Alumni interaction was organized by Department of Civil Engineering Integral University Lucknow on 15th November 2021 for the students of B. Tech & M.Tech. The guest speaker on this occasion was Er. Mohammad Adil Masood, B. Tech from Integral University in year 2014 and presently working as a Facility Manager in Ministry of Education and Higher Education, State of Qatar.

The Programme was hosted by Muntashir Abbas Naqvi, Third year student who gave a brief introduction about the guest speaker. Prof. Syed Aqeel Ahmad, HoD Department of Civil Engineering, welcomed the guest, senior faculty members and students.

It was an event at which the current batch of students benefited from the experience of department's alumni who have their mark in the different professional sectors across the globe. Er. Mohammad Adil Masood motivated the students and explained the strategies to apply at various levels of jobs in India and abroad. He shared vital information about different types of works on project sites. He also discussed in detail the requirement of freshers by the MNCs in India and abroad.

He also shared his experience of the time when he was a student at Integral University and enlightens the promising opportunity that beckons budding Civil Engineers and answered the questions put up by eager and fascinating students. The number of participants was 80. It was a very interactive, informative and motivating talk.
