

**A Report on Site Visit of B. Tech Civil third year students to M/s Omega Developers,  
Faizabad Road, Lucknow on 09<sup>th</sup> March 2022**

Department of Civil Engineering believes that site visit allows the students to develop a greater understanding of how civil engineering theory is put into practice. In this context Department of Civil Engineering, Integral University organized a site visit on 9<sup>th</sup> March 2022 for the B.Tech. third year students to **M/s Omega Developers, Faizabad Road, Lucknow.**

The visit was led by Mr. Anwar Ahmad Associate Professor, Department of Civil Engineering, Integral University. All the students were welcomed by Er. Pradimanyu Misra, Senior General Manager, M/s Omega Developers. The students were briefed about the ongoing project and thereafter the staff of the M/s Omega developers briefed about the various Civil Engineering activities. Students also learnt about brickwork, plastering and other finishing items. Students were also briefed about the plumbing and electrical drawings and their execution at site.

The students learnt how the flats are handed over to owners and procedure to be followed.

Students took keen interest and show discipline during the entire visit. Total number of students visited the site were thirty five.
