

**A Brief Report on “Light House Project” held on 22nd December, 2021
Organized by Department of Architecture and Department of Design
Faculty of Architecture, Planning & Design, Integral University,
Lucknow.**

Department of Architecture, under the aegis of Faculty of Architecture, Planning & Design, organized a site visit on **Light House Project** on 22nd December, 2021. The main objective of the site visit was to spread awareness about lighthouse Projects among the students. Light House Projects are model housing projects with houses built with shortlisted alternate technology suitable to the geo-climatic and hazard conditions of the region. This will demonstrate and deliver ready to live houses with speed, economy and with better quality of construction in a sustainable manner. Six distinct innovative technologies have been selected from among 54 globally best technologies that participated in GHTC India for constructing six Light House Projects (LHPs) of about 1,000 houses each with allied infrastructure at Indore, Rajkot, Chennai, Ranchi, Agartala and Lucknow.

The students from 5th year participated with great zeal and enthusiasm. After the site visit, students were assigned to make a report on Light House Projects as a part of their summer training.

The workshop was successfully organized with the constant support of Prof. (Ar.) Zeba Nisar.

The workshop was conducted by coordinator Mr. Mohd. Noor Alam Khan, Mr. Abu Zaid, and Ms. Kaneez Aiema Rizvi who tried very hard and motivate the students to actively participate throughout the workshop.

The program ended successfully with the active participation of the students, colleagues, head & dean.
