

Two weeks *Professional Development Program (PDP)*

On

## “Relevance & Protection of Intellectual Property Rights”

November 08- 22, 2021

Organized by

Department of Chemistry, Integral University, Lucknow

### A Brief Report

Dear All,

Department of Chemistry, Integral University, Lucknow, organized a two weeks *Professional Development Program (PDP)* on “**Relevance & Protection of Intellectual Property Rights**” from 08<sup>th</sup> to 22<sup>nd</sup> November 2021. The faculty coordinators for the program were **Dr. Naseem Ahmad**, **Dr. Qazi Inamur Rahman**, and **Dr. Iqbal Azad**. Faculty members of various department, research scholars, students, and alumni have actively participated in the program.

### PDP Highlights

- Registered Participants: **83**.
- **Two sessions** were organized per day.
- **62 hours** of online active engagement through content-based learning on Google meet.
- Participants were from different states across **India** and also from **Saudi Arabia** and **Germany**.
- A “**Certificate of Completion**” was given to all the successful participants.

The inaugural session was held on 08<sup>th</sup> November, 2021 which started with the welcome address delivered by **Prof. Abdul Rahman Khan**, Dean, Faculty of Science, HoD, Chemistry, Integral University, Lucknow. It was followed by a keynote lecture on the topic “*Introduction of Intellectual Property Right (IPR): the rules and regulations correlated to the IPR*” by **Prof. Tufail Ahmad Khan**, HoD of School of Law, Presidency University, and Bengaluru. **Prof. Tufail** addressed the attendees that included faculty members, research scholars, students, alumni, and other staff members. He shared his broad knowledge and expertise on the “*Intellectual Property Right*” (IPR). He explained multiple delusions associated with intellectual property and also familiarized us with the rules and regulations correlated to the IPR. The next session was led by **Ms. Aparna Shukla**, Assistant Professor, IPR Cell, Presidency University, Bengaluru. She first gave an interesting historical background about the emergence of IPR and how developed countries have somewhere used the concept of IPR to this advantage and also to exert intellectual dominance over developing countries. Session was closed with a vote of thanks addressed by **Dr. Qazi Inamur Rahman**.

#### About

##### UNIVERSITY

Integral University has a unique culture of inclusiveness, diversity, personal and intellectual integrity and value-based education. The curriculum has a strong focus on individual growth and the development of essential tools so that its students make a mark in the corporate world and the field of technology. These are solidly supported by a highly qualified and trained team of accomplished faculty and robust academic infrastructure. It was established under the Act Number 9 of 2004 by the State Government. The University is duly approved by the University Grants Commission (UGC) under section 2(f) and 12B of the UGC Act, 1956, Medical Council of India, Pharmacy Council of India, Indian Nursing Council, Council of Architecture, Bar Council of India, Indian Association of Physiotherapists, National Council for Teacher Education, UP State Medical Faculty and Distance Education Bureau. The University maintains a decent and decorous atmosphere in the campus. The campus is highly disciplined and ragging-free, with all modern amenities for pursuit of higher education and sports. The campus provides state-of-the-art hostel accommodation and houses a 550-bedded hospital, as part of the Medical College, with state-of-the-art medical facilities and more than 200 doctors. Integral University is not only an academic institution but also a mission and a vision to make the country progressive and prosperous in all walks of life.

##### DEPARTMENT

The Department of Chemistry started in 1998 since the inception of Integral Institute of Technology and then full-fledged Integral University in 2004. You will find here inspiring teachers, enthusiastic students and talented researchers. We offer undergraduate and post graduate program in Industrial Chemistry, Chemistry and research into all disciplines of chemistry and the interdisciplinary links with Department of Biosciences, Bioengineering, Pharmacy, Environmental Sciences and Medicine etc. We are blessed with research faculty who are routinely recognized in their fields of inquiry, with teaching faculty and technical staff who excel and garner university acclaim for their achievements.

##### PDP

IP (Intellectual Property) is an important and effective policy which deals with a wide range of socioeconomic, technological and political concerns and makes implications of Patents, Copyrights and Designs, Trademarks and Geographical Indications.
