They were evaluated for the name and type of tree, color of its flowers, its blooming season, its functions and about what are they expected to do to take care of it. **Professor Iffat Zareen** (Department of Bioengineering), **Dr. Tarique Mahmood Ansari** (Department of Pharmacy) and **Dr. Swati Singh** (Department of Biosciences) judged the students’ knowledge about the plants and choose the best 3 among the 25 students. As per the evaluation of judges, **Mr. Gaurav Kumar of B.Sc (Hons.) Agriculture** was adjudged the best among all, while **Ms. Shubi Shrivastava** and **Akanksha Singh**, both of **B.Sc (Hons.)
