An Awareness Programme on Intellectual Property Rights and Related Issues
22nd March, 2022

Department of Biosciences, Bioengineering and IIAST, Integral University, Lucknow under the aegis of National IP Awareness Mission, Government of India organized an Awareness Programme on Intellectual Property Rights and Related Issues on 22nd March, 2022 . The speaker was Mr. Anant P. Srivastava, Assistant Controller of Patents and Designs, The Patent Office, New Delhi.

Dr. Alvina Farooqui, Head, Department of Bioengineering and Dr. Mohammad Ashfaq, Assistant Professor, Department of Biosciences were the coordinators of the awareness programme. The event was hosted by Dr. Arshi Siddiqui, Assistant Professor, Department of Biosciences. Prof. Sher Ali, Head, Department of Biosciences and Dean Research and Development welcomed the speaker and introduced him to the audience. The guest speaker Mr. Anant P. Srivastava explained the types of the Intellectual Property Rights including Patents, Copyrights, Trademarks, Industrial Designs, and Geographical Indications. He emphasized on patents and procedure of their filing. He gave detailed information about the procedure and forms involved in filing a patent with specific examples.

Dr. Alvina Farooqui, Head, Department of Bioengineering presented the memento to the speaker. The event concluded with the Vote of Thanks by Prof. Iffat Zareen Ahmad, Department of Bioengineering. More than 100 participants attended the awareness programme. The speaker addressed the queries related to patent filing, making the programme highly beneficial and informative for the participants.

Glimpses of the Awareness Programme
