ABOUT THE PROGRAMME

Today the profession of teaching has become quite challenging. Teachers are expected to be both effective teachers and researchers. Being an educator is not just about sharing knowledge; it is about making sure that learners truly integrate this knowledge and derive learning out of it. Any teaching that does not result in effective learning is useless. Therefore, to be an effective teacher, one needs to be able to deliver the domain knowledge using the most suitable pedagogical tools. For this, every teacher needs to continuously upgrade himself/herself by engaging in research.

Module I: Meaning and Types of Research, Qualitative and Quantitative Research Methods

Module II: Research Designs, Sampling-Importance, Criteria and Techniques

Module III: Tools and Techniques of Data Collection and Construction of Research Tool

Module IV: Writing report of the Thesis and Projects, Research Ethics and Publication Guidelines

Two week's course shall be conducted in the blended mode;
Face to Face session (14 Days equivalent)-5 days using video conferencing, in conformance to Covid-19 protocol.
80+hours' online active engagement (2weeks equivalent); contentbased learning.

OUTCOME

This Professional Development Programme empower teachers to enhance teaching and research skills needed to perform their roles successfully in Academic Institutions. They will develop courage to tackle tough times and learn how to foster an agile highperformance environment

CERTIFICATION

Completion Certificate (Soft copy) will be provided after completion of Professional Development Programme activities, with qualifying criterions.

ELIGIBILITY

All the teachers teaching in universities, colleges and teaching Institutes are eligible to join the Professional Development Programme

On the second day of PDP, the resource person was **Dr. Ekhlak Ahmed, Associate Professor (Jr.), Faculty of Education, Integral University, Lucknow.**

The topic for the day was **“Meaning and Types of Research”**. He had explained the meaning of research in simple manner, definitions, characteristics and purpose of research was also explained by him. He had thrown light on the difference between various types of research, steps of action research and procedure of conducting research was also clarified by the resource person. Welcome and vote of thanks was delivered by faculty members of the department.

On the third day of the PDP, the resource person was **Mrs. Yashi Verma, Assistant Professor, Department of Humanities, Integral University, Lucknow.** The topic for the day was **“Quantitative Research Methods”**. She had explained basic methods for data analysis, how to conduct

quantitative analysis and steps of that. She had given brief description of types of quantitative research design. She had also thrown light on the difference between qualitative and quantitative research methods with the help of a video. Welcome and vote of thanks was given by faculty members of the department.

On the fourth day of the PDP, **Dr Mohammad Shahwaiz , Assistant Professor, Department of Humanities, Integral University, Lucknow** was the resource

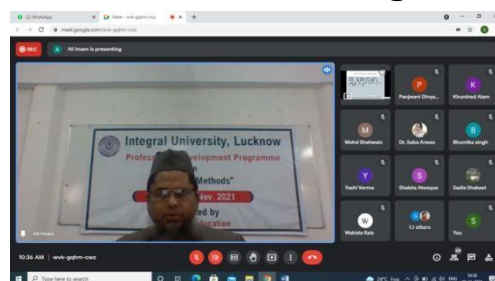

person. The topic of his address was **“Qualitative Research Methods”**. He had explained each and every sub topic very meticulously. He had started his lecture from the very basic of research, i.e., what research is, its need, importance, types, differences between the types and so on. He

talked about goals of qualitative methods, qualitative research techniques and various methods of qualitative data analysis. Welcome and vote of thanks was given by faculty members of the department.

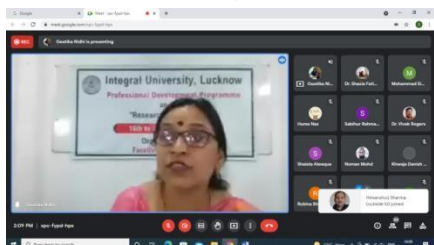

On the fifth day of the PDP, **Professor (Dr.) Ali Imam, Professor, Faculty of Education, Integral University, Lucknow** was invited as the resource person to deliver his lecture on the topic **“Identification of the Problem and Writing of the Review of Related Literature”**. He had started

his address from detailing about sources of research problem. He talked about location of research problem, research guides, criteria for selecting the problem, qualities of a good researcher, sources of review literature and

types of review literature. He had also given certain tips to write literature review in APA style. Welcome and vote of thanks was given by faculty members of the department.

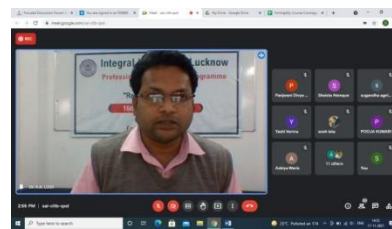

On the sixth day of the PDP, **Dr. Geetika Nidhi, Assistant Professor, Faculty of Education, Integral University, Lucknow** was

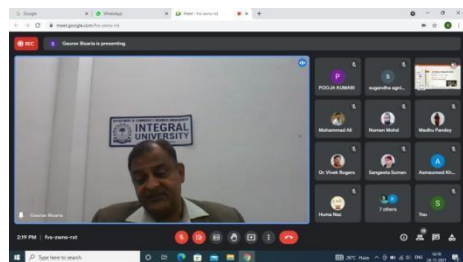

invited to share her knowledge on the topic **“Preparation of Research Proposal and Research Project”**. She had started her discussion from need and significance of preparing research proposal. She

explained in detail the various steps of preparation of research proposal. She talked about elaborate questions which researcher needs to answer by understanding research, what are the points of consideration before preparing research proposal, aspects to be avoided while preparing research proposal and qualities of a good research proposal. Welcome and vote of thanks was given by faculty members of the department.

On the seventh day of PDP, the topic was **“Formulation of objectives, Research Questions and Hypothesis”**. **Dr. Vivek Rogers, Lecturer, Faculty of Education, Integral University, Lucknow** was invited to deliver his lecture and share his knowledge on the topic. He had started his lecture by telling the words which needed to be avoided while formulation of research objectives, which was very basic yet important aspect of any research. He had also explained the characteristics of research objectives and what research questions are and how these are supposed to be prepared. Welcome and vote of thanks was given by faculty members of the department.

On the eighth day of PDP the topic decided to be talked about was **“Research Design-Meaning, Purpose, Criteria and Types”** and **Dr. Gaurav Bisaria, Associate Professor (Jr.), Department of Commerce and Business Management, Integral University, Lucknow** was invited as the guest speaker.

He had blessed the participants with his in depth knowledge and exposure in the field. He had started his presentation from the meaning of research design and then explained its purpose by citing very interesting examples to the participants. Moving ahead the criteria of selecting a research design and its types were also covered in his lecture.

On the ninth day of the PDP, **Dr. Ekhlak Ahmad, Associate Professor (Jr.), Faculty of Education, Integral University, Lucknow** was once again invited to address the participants and bless them with his knowledge on the topic **“Sampling-Meaning, Importance, Criteria**

and Techniques”. He had started his presentation starting from meaning, need, importance of sampling, definition of population, relationship between sampling and population. Further he had also explained the criteria of selecting sampling technique and basic differences between major sampling techniques.
