CYBER SAKSHARTA ABHIYAN

23rd December, 2021

Department of Computer Application
Integral University, Lucknow

BRIEF REPORT

Technological advancement has given a capability to transform the whole world on digital platforms during the COVID-19 pandemic for accomplishing day to day activities in all segments mostly in education from elementary to graduation, graduation to professional. The Central as well as State Government has also been given a motivational thrust towards digital platform usage and also made aware about the pros and cons in using the same time by time through its various Educational and Awareness campaigns. To make Government initiatives towards Cyber activities and their security, Fraud protection and preservation, more successful the Department of Computer Application has taken an initiation in the direction of Cyber Awareness among educational fraternity and allied community.

To make this move bigger the Department of Computer Application has organized a **Cyber Saksharta Abhiyan** as its Outreach/Extension Activity in two of the Government Primary Schools on 23, December 2021, situated at the nearby villages, **Panri and Meernagar under Nindura Block, District Barabanki** in the interest and betterment of the students attaining their elementary education there. Under this Cyber Awareness Campaign, a brief awareness talk was delivered by the faculty members and a group of BCA, MCA students based on some real-world case study.

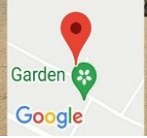

The overall **Cyber Saksharta Abhiyan** was led by Dr. Sandeep Kumar Nayak, Dr. Mohd. Waris Khan and Mr. Syed Mohd. Faisal and a group of BCA, MCA students.
