

Report on “Site Visit at Rishita Manhattan Project” located at Shaheed Path behind Dial 100 Building  
held on January 31<sup>st</sup>, 2019

---

Department of Civil Engineering regularly organizes site visits to develop better understanding of the subject and to provide field exposure to students. Department of Civil Engineering strongly believes that site visit allows the students to develop a greater understanding of how civil engineering theory is put in to practice. In this context department of civil engineering, Integral University Lucknow in collaboration with M/s Rishita Manhattan, Lucknow organized a Site Visit for the B.Tech. civil engineering students at “Rishita Manhattan Project” located at Shaheed Path behind Dial 100 Building, Lucknow to impart practical site learning to B.Tech. Students.
