

## **DEPARTMENT OF CIVIL ENGINEERING**

### **A brief report on Alumni Interaction organized by the department of Civil Engineering Integral University Lucknow**

An Alumni interaction with the Pre-final & Final Year students was held on 26<sup>th</sup> April via online mode organized by Department of Civil Engineering Integral University Lucknow. The guest speaker on this occasion was Er. Arshil Jah, B.Tech from Integral University 2014 and Master Degree holder from Edith Cowan University, Western Australia 2020, presently working as Graduate Civil Engineer at Catalpa Group Perth Western Australia and having around five year of experience in Infrastructure Projects

The Programme was hosted by Mr. Iqbal Ahmad, Final year student who gave a brief introduction of the guest speaker Anwar Ahmad, Associate Prof. welcome the guest on the behalf of Dr. Syed Aqeel Ahmad HoD Department of Civil Engineering. Senior Faculty members and students attended the very interactive and informative motivating lecture.

He addressed the meet with great enthusiasm and zeal. He shared his experience of time when he was student in Integral University and threw light on the promising opportunities for the civil engineers and answered the questions put up by the eager and fascinated students. Mr. Arshil offered several eye-openers and shared vital information about various educational consultants that may help the students to go to abroad to higher studies and job. He also explains the importance of certificate course on Environment, health and Safety that are required in the construction industry.

It was an event at which the current batch of students benefited from the experience of departments alumni who have their mark in the different profession sector across the globe.

The Programme ended with vote of thanks delivered by Mr. Rajiv Banerjee, Associate Prof. Dept. of Civil Engineering Integral University Lucknow. The number of participants were 65.
