## ABOUT CULTURE AND LITERARY SOCIETY

Cultural and Literary Society, inaugurated in the year 2022, aspires at bringing out the richness of Indian and world culture and literature, by providing a platform for fellow peers to bring out their hobbies, and talents in front of a large group audience. We aspire to deliver a proper grasp of knowledge among students about the great heritage and traditions. Our motto is to "celebrate the diversity" from every hook and corner.

Department of Law  
Integral University,  
Kursi Road, Lucknow

## ABOUT ENVIRONMENT LAW SOCIETY

The basic aim of the Environmental Law Society is encourage all the students in protecting our environment, exploring nature, promoting environmental justice, pursuing environmental law and everything in between. We aim to connect ecologically-minded students with the resources they need to thrive and to mobilize law students in the pursuit of sustainability and eco-justice on and off campus.

The basic societal goal is to make more and more people aware about the importance of environment and making people know that how they can save and secure our mother earth, most importantly its binding on all citizens of india.

"The environment and the economy are really both two sides of the same coin. If we cannot sustain the environment we cannot sustain ourselves."

## ABOUT EVENT

---

International Plastic Bag Free Day, celebrated on July 3, is a global initiative that aims to eliminate the use of plastic bags. Plastic bags may seem like a grocery shopping convenience, but they are also a huge strain on the environment. It can take up to 500 years for plastic bags to disintegrate, so they make up a large portion of what stays in our landfills and pollutes our waterways.

International Plastic Bag Free Day looks for safer alternatives to demonstrate that a world without the use of so much plastic is possible. It is part of the Break Free from Plastic Movement, which began in September 2016, and has been joined by nearly 1,500 different organizations. The movement is looking for solutions to the plastic pollution crisis, to make the planet safer for humans, the environment and wildlife.
