**A brief Report on
Two Week's International Workshop on
"Lesson Planning and Pedagogy" Organized by
Faculty of Education, Integral University, Lucknow from 20th September to 3rd October 2022**

The Faculty of Education organized a Two Weeks International Workshop on Lesson Planning and Pedagogy. This workshop was an effort to make the students learn new technologies and methods which helped to modify them to new age teachers and served as a model for effective lesson planning, focusing on formulating measurable learning objectives and aligning teaching strategies to them. The program also catered to the United Nations Sustainable Development Goals (SDG) 4 and 9.

The workshop consisted of interactive lectures, hands-on experience, role play activity, interaction with the stakeholders in the field. Interactive lectures delivered by national and international experts specialized in various fields followed by discussion and question-answer sessions with the participants. International speakers, Mrs. Meltem Ipek Oner from Yeditepe University, Turkey and Dr. Mariyam from Yazd University, Iran and Indian experts in the academic domain were successful in orientating the students to the current trends in lesson planning and latest pedagogies. Eighteen technical sessions were addressed by the respective speakers as per the following schedule.
