Dear All,

Cyber Security Awareness Month was launched by the **National Cyber Security Alliance & the U.S. Department of Homeland Security** in **October 2004**. In order to bring attention to Cyber Security and as a concentrated effort to stay safe and secure online, National Cyber Security Awareness Month(NCSAM) is celebrated all over the world. It is an initiative to put conscious efforts towards ensuring better cyber security hygiene and incorporate stronger security measures. It is a collective responsibility of the government, organizations, employees, consumers and citizens at large to take Security as a Priority and **#StayCyberSafe**.

Integral University is proud to be a champion and support this online safety and education initiative this October. We support this campaign by observing October as “Cyber Security Awareness Month”, a global effort to help everyone stay protected whenever and however you connect. The overarching theme for the month is, **‘Do Your Part. #BeCyberSmart.’**

The cyber security and digital privacy of our colleagues and students is important to **Integral University and Department of Computer Application** has taken the initiative to organize an awareness cum Student Development Programme on Cyber Security & CoViD-19 from 23-25 October 2020 in online mode as per the following:
