

Report on International Seminar

It is a matter of pleasure to inform you that Department of Mechanical Engineering, in association with Department of Electrical Engineering, Electronics and communication Engineering and Physics, Integral University, Lucknow and Manya Education Pvt.Ltd., Lucknow, is organizing an International Seminar on “Career Opportunities in Aircraft Maintenance Engineering” held on 20th November 2017 at Central Auditorium, Integral University, Lucknow.

The program was focused to make the participants familiar with Aircraft maintenance, airworthiness of an aircraft or aircraft part, including overhaul, inspection, replacement, defect rectification, and the embodiment of modifications, compliance with airworthiness directives and repair. Parts manufacturing techniques like Hand Layup method and basics of Generic & Sector specific Quality Management standards in Manufacturing, and its various processes, materials, applications in industries. Focused audience were diploma, graduate and post graduate students as well as few research scholars and faculties attended from the Mechanical Engineering, Electrical Engineering, and Electronics Engineering, physics or similar background from different departments and colleges.

The workshop began with floral welcome of guests followed by the welcome address by Prof. (Dr.) P.K.Bharti, Professor & Head, Department of Mechanical Engineering, Address by Dr. Syed Nadeem Akhter, Dean Engg., Vote of thanks by Dr.Syed Hasan Sayeed, Professor, Department of Electronics and Communication Engineering.

Mr. Brad Groom, Assistant Director, Aviation Institute of Management, USA, Address the chair and continued the technical session by sharing his working experience at USA air force as crew chief for long time and companies like Lockheed Martin, Navy Adversary program, Federal Aviation Maintenance Technican School, as senior person. In his presentation, Mr Groom discusses the various processes, materials, applications of manufacturing and maintenance methods in various industries, with focus on Hand Layup Method.

Ms. Deepti, Training and Admission Head, AIM,USA, guided and motivated participants with the future and scope of AIM studies. Mr. Gaurav Chicker, Center Manager-India, Manya - The Princeton Review, guided the participants about career building and studying in abroad.

The final session of the seminar was based on role of Quality Management in manufacturing and fundamentals of Quality tools and ISO(s) by Mr. Prashant Singh, Manager (Outsourcing), Hindustan Aeronautics Ltd., Lucknow. Mr. Singh, in his interactive session discussed topics like Generic & Sector specific QM standards, Importance of Quality Management in Manufacturing with specific reference to Aerospace Sector, QM principles, ISO 9001 & AS 9100 fundamentals. He interacted with the audience and solved the queries related to Career options in Quality Management System.

At last, the vote of thanks was delivered by Er. Abhishek Dwivedi, Assistant Professor, Department of Mechanical Engineering. All the honourable guests/speakers were facilitated with a memento and participants were awarded with participation certificate. Approx three hundred participants participated in the workshop. The program was well conducted by Er Abhishek Dwivedi, Er Kamran Rasheed, Er Faizan Hasan and Er Mohd Faiz.
