ALUMNI OF IIM AHMEDABAD & AGRIPPOSITIONS.COM have launched nation wide voluntary Campaign called "**FUTURE IS GOLDEN**" targeting the undergraduate students studying in Agriculture Universities.

Objective :

To Conduct a "**Career Orientation Workshop**" for sensitizing the undergraduate students about future career prospects related to **Management in Agriculture, Agri-Engineering, Dairy Tech, Veterinary, Fishery, Food Tech, Horticulture** and other allied streams. Workshop duration will be of 1.5 Hours + Q & A session where all Students can participate together in an Auditorium or Conference Hall available in the College/University. This shall be conducted between July - November 2019.

To conduct "**Talent Search**" a job fair where Final Year students from Agriculture Universities will participate to get on the spot job offer from Renowned Corporate. Post registration and participation in Career Orientation Workshop, Top 15 students of every stream can apply free of cost for Talent Search to be scheduled in the month of Jan-March 2020.
