The Environmental Law Society, Department of Law, Integral University organized a National Webinar on "Role of Trees in Balancing Environment: A Judicial Contemplation" held on 25th February 2021. Our Resource Persons for the event were: *Professor Monowar Alam Khalid*, DSW, Integral University; *Dr. Santosh Kumar*, NLU Shimla, and *Dr. Syed Ali Nawaz Zaidi*, Faculty of Law, AMU, Aligarh.

Professor Monowar Alam Khalid discussed the issues related to current environmental problems and solutions for the same. *Dr. Santosh Kumar* in his presentation explained Environmental Technologies and acknowledges that mother earth in all life forms has the right to exist, persist, maintain and regenerate its important life cycle. *Dr. Syed Ali Nawaz Zaidi* pointed out that more and more plantations of trees will help to restore the fragile environment and stimulate economic growth. He explained the Environmental Jurisprudence concerning forest and wildlife using catena of Apex Court judgments like *Wooden Furniture Work & Ors. v. Govt of Andhra Pradesh & Others*; the *Godavari Case* and the *Central Vista Project Case*, etc.

More than 600 participants registered for this event and witnessed it across the nation, via YouTube Live Stream.
