Report of Guest Lecture
on
"Carbon Allotropes and their Application"
21 September, 2022**

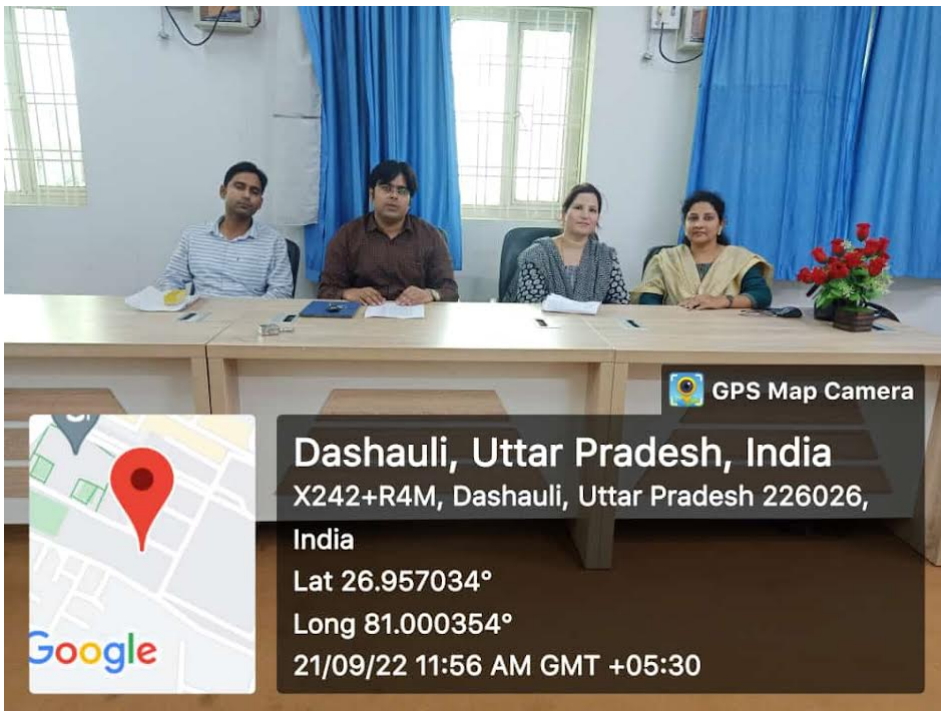

The Department Of Electronics & Communication Engineering, Integral University, organized a Guest Lecture/Webinar on "Carbon Allotropes and their Application "on 21st September 2022 at 11:00 AM. The Venue of Guest Lecture/Webinar was Seminar Hall, 3rd Floor BNL Block. 58 students/faculty from the university attended the Guest Lecture/Webinar. The main focus of this Guest Lecture/Webinar was to create awareness of the "Carbon Allotropes and their Application" Resource Speaker, Dr. Farhat Aisha Ansari, Associate Professor, Hygia Institute of Pharmaceutical Education & Research, Lucknow.

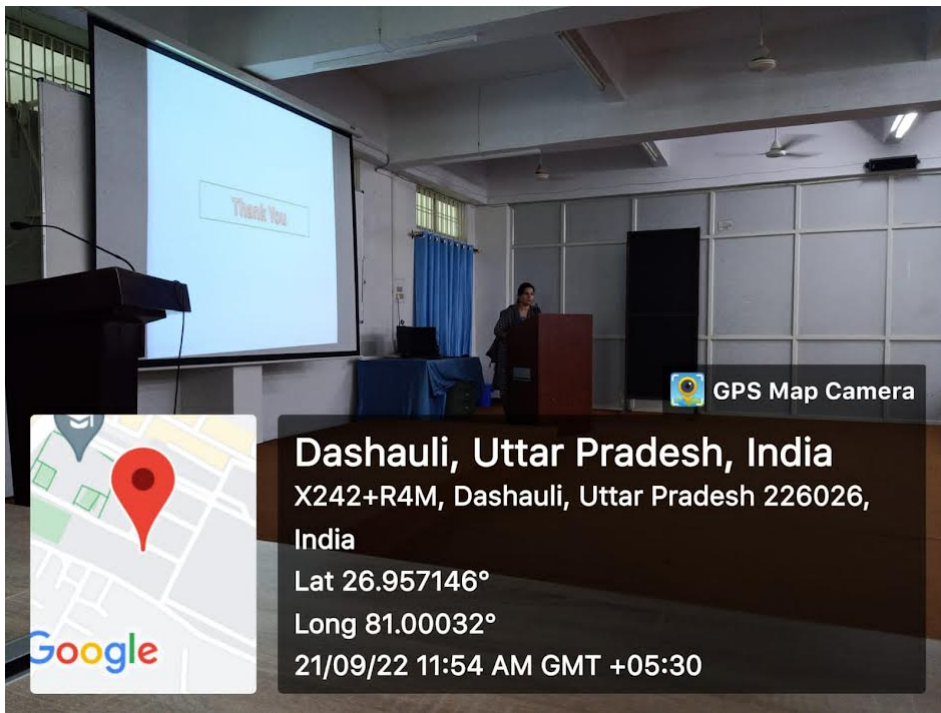

The program started with the introduction of Carbon Allotropes by Dr. Saima Beg, Assistant Professor, Department of Electronics & Communication Engineering, Integral University where she briefly described the history of Carbon Allotropes. After this, she invited Dr. Farhat Aisha Ansari, Associate Professor, Hygia Institute of Pharmaceutical Education & Research, Lucknow, to further elaborate on the topic. In her enthralling lecture, Dr. Farhat Aisha Ansari emphasized the importance of Carbon Allotropes and their Applications. Dr. Farhat Aisha Ansari concluded her lecture on the role of carbon in our daily life.

There was an interactive Question and Answer session following the presentation. The program ended on a high note with the Vote of Thanks given by Dr. Saima Beg, Assistant Professor, Department of Electronics & Communication Engineering Integral University. She expressed her gratitude to the speaker for delivering very enlightening lectures on the theme of the event. She also thanked the team members Mr. Zohaib Hasan Khan Assistant Professor, Department of Electronics & Communication Engineering and Mr. Saif Ahmad Assistant Professor, Department of Electronics & Communication Engineering, Integral University. The lecture/webinar was highly appreciated by the participating students and the academicians & management of the department as well.

Glimpses of the Event:
