Dear All,

The SWAYAM NPTEL Local Chapter of Integral University, Lucknow in collaboration with the Department of Electronics and Communication Engineering, Integral University organized a One-Day Workshop on the theme “MOOCs and SWAYAM NPTEL Awareness” on 29th January 2022.

The event registered 253 participants from Integral University and other colleges in India. The agenda of the Workshop was to impart knowledge of recent trends in online education with the disruption of MOOC courses and how it has been globally accepted. Moreover, India being a pioneering nation to welcome technology blended with learning pedagogy has taken an initiative called SWAYAM-Study Webs of Active Learning for Young Aspiring Minds.

SWAYAM an initiative of the Govt. of India seeks participation from students across the country to opt for courses in online mode through blended learning pedagogy made possible through the advent of MOOCs.

Total No. of Participants:

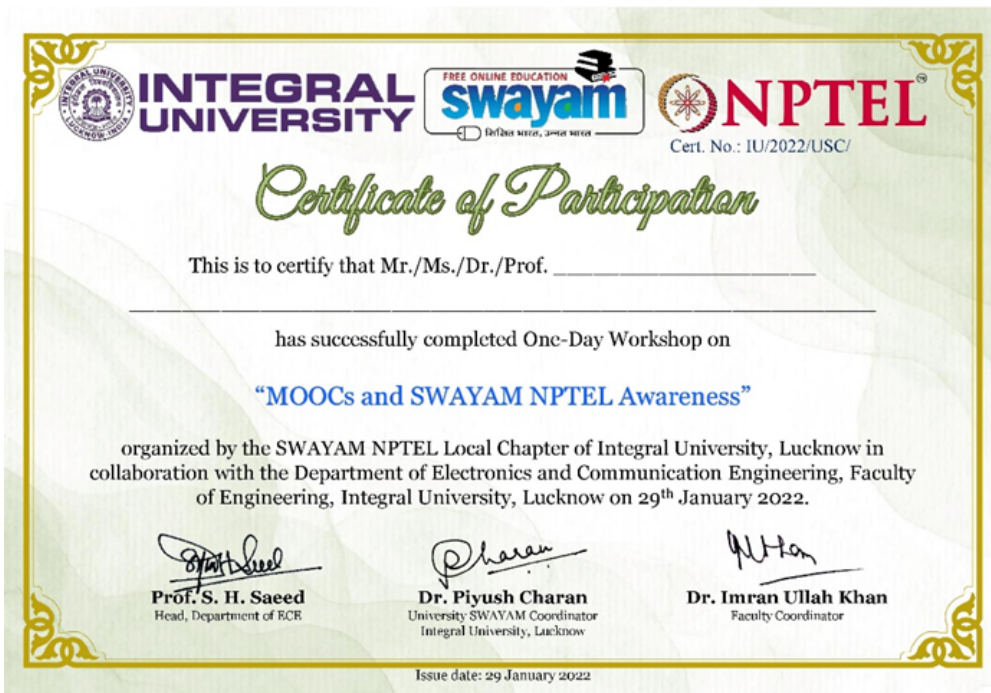

The event was aired Live through the departmental YouTube Channel of the department of Electronics and Communication Engineering and the session was inaugurated by Dr. Imran Ullah Khan with the welcome address to the Resource Person for the event, Dr. Piyush Charan who highlighted the importance of MOOCs and how a student can gain access to a course designed and developed by IIT’ians and Professors/Collaborators from the Premier institutes of the country. He also shared the process to join a MOOC course on the SWAYAM platform. And then how to pre-register the course for credit transfer in the university.

Sample Certificate:

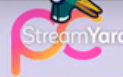

Snapshots of the Event:

Steps for Registering a MOOC in Integral University as an Open Elective

- Step 1: Choose a MOOC from NPTEL (Form ??)
- Step 2: Inform the DSC of your department.
- Step 3: The DSC will inform the USC (SPOC NPTEL) through PC (if necessary)
- Step 4: If the course is created in the MOOC database it will be available in the Pre-Registration portal for choosing as an Open Elective so goto step 5

or

If the course is not created in the MOOC database, the DSC will forward a request to the USC to add the subject in the database thereby giving it a new code. (12 week course is equivalent to 3/4 credits)

- Step 5: Choose the course during pre-registration from the MOOC bucket list available in the Pre-Registration Page in the Student Management System (SMS) of IUL.

Dr. Piyush Charan

Any Queries??

Thank you
