

INTEGRAL UNIVERSITY, LUCKNOW
FACULTY OF EDUCATION
GUEST LECTURE
12th April 2018

A guest lecture was organized in Department of Education, on 12th April 2018 at Hall-4 central auditorium at 2 p.m. The guest speaker was **Prof. Arbind Kumar Jha**, Dean, School of Education Baba Saheb Bhim Rao Ambedkar University, Lucknow. The topic of the lecture was “**Pedagogic space: Probing Practices for Secondary Education.**” The objective of the guest lecture were

- To make students aware of various dimensions of pedagogy
- To address the relevance of pedagogy in practical teaching space
- To orient students towards the latest development in pedagogy
- To ensure students interaction with experts.

The programme began with the welcome address of the guest by Dr. Geetika Nidhi. The guest speaker presented his views on an important aspect of education pedagogy who was expert in the field and had written books on pedagogy of mathematics.

He began his lecture with the significance of pedagogy in teaching and took the audience towards the practical aspects of pedagogy in teaching mathematics. His impeccable presentation and live examples made the students interactive during the lecture

All the faculty members and students of M.Ed, B.Ed. D.El.Ed and Ph.D attended the lecture. Overall, 56 students participated in the lecture. It was an interactive and enriching experience for the students. All the students interestingly took part in the lecture. The lecture concluded with vote of thanks by Dr. Ali Imam .
