Dear All

It gives me immense pleasure to inform you all that Department of Biosciences is organizing a Guest Lecture on the

Topic: **“Fruit Biotechnology”**

Date & Time: **September 8th, 2016 at 9:30 AM**

Venue: **Central Auditorium.**

The eminent Guest speaker is **Dr. Pravendra Nath, Chief Scientist (Retd.), NBRI, Lucknow.** The lecture will include the varied applications of plant biotechnology and molecular biology in sustainable cultivation of food crops.

You all are cordially invited to attend the same. Specifically the students of M.Sc. M.Tech, B.Sc. B.Tech (all branches) of Biosciences, Bioengineering, Pharmacy, Chemistry and IAST will be highly benefited.

--

Neelam Pathak
