Seminar Report on "Process of Filing Patents"**Organized by the Department of Mechanical Engineering in association with the Department of Electrical Engineering, Integral University, Lucknow****On****July 23, 2022**

An online seminar on "Process of Filing Patents" was organized by the Department of Mechanical Engineering in association with the Department of Electrical Engineering, Integral University, Lucknow. The seminar was held on July 23, 2022 at 10.00 am onwards under the aegis of the Intellectual Property Rights Management Cell (IPRMC). The expert speaker was Ms. Hemaxee Bhatt (Indian Patent Agent IN/PA 3215, SSIP Facilitator, Gujrat and State Vice President of WICCI), in a very lucid manner elaborated about the intellectual property rights and its importance in knowledge creation and dissemination.

Ms. Hemaxee enlightened the participants by explaining roles and functions of the Controller General of Patents, Department of Industrial Policy and Promotion as well as designs and trademarks. Subsequently she focused on the process of filing the patent applications, copyright applications, Trademark applications, design applications and the various schemes for facilitating start-ups including intellectual property protection.

The seminar commenced with the welcome address of Dr. P.K Bharti, Professor & Head, Department of Mechanical Engineering following brief introduction of the speaker. Total 121 participants were registered for the aforesaid seminar. Speaker addressed the queries of the audience at the end.

The seminar was concluded with the vote of thanks of Dr. Mohammad Asim, Assistant Professor, Department of Electrical Engineering (coordinator of IPRMC Integral University Lucknow). The seminar was well coordinated by Dr. SumitaChaturvedi, Assistant Professor, Department of Mechanical Engineering, Integral University Lucknow.

Thanks & regards
