

Brief Report on the Guest Lecture “ Basic Tools of Mathematical Analysis”

Organized by Department of Mathematics & Statistics, Integral University, Lucknow on 14th June, 2021

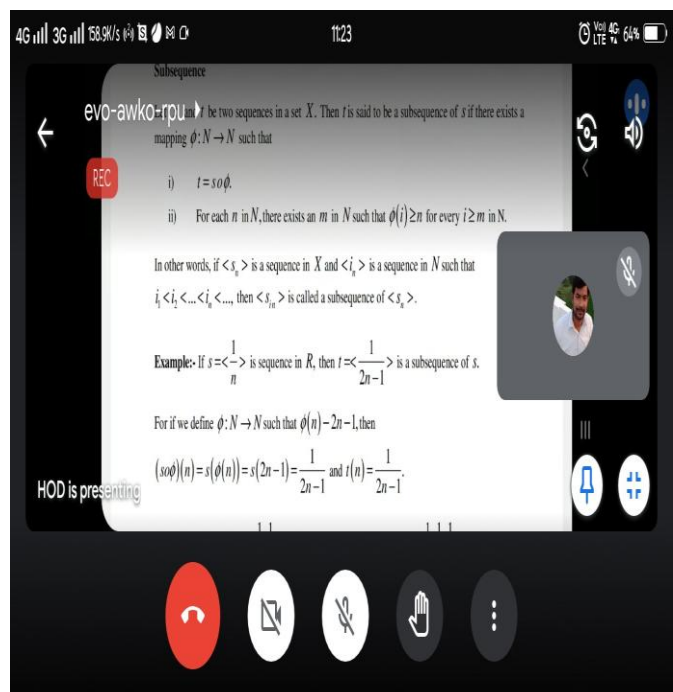

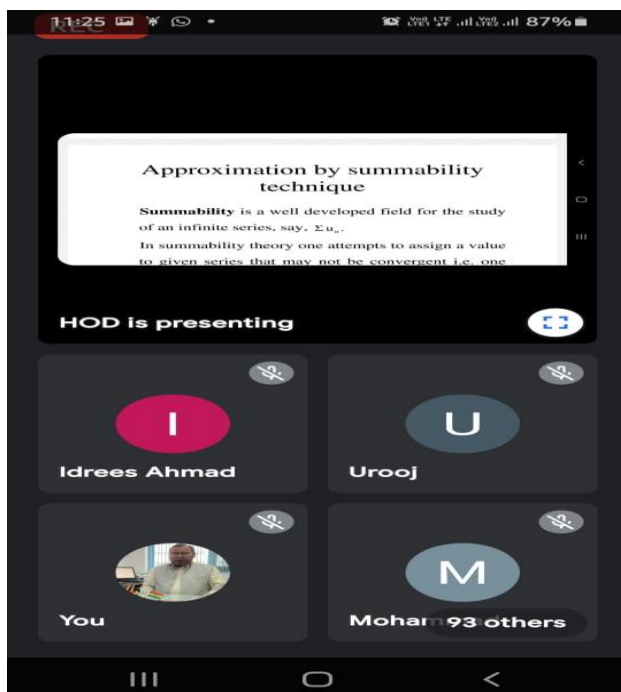

The Department of Mathematics & Statistics organized an educational and interactive online ‘Guest Lecture’ on 14th June, 2021 at 11.00 a.m. in Hall-1 of central auditorium. The Guest speaker was **Prof. Vishnu Narayan Mishra**, Professor & Head, Department of Mathematics, Indira Gandhi National Tribal University, Lalpur, Amarkantak, Anuppur, Madhya Pradesh. He is an eminent scholar and has vast experience & knowledge in the field of Approximation Theory and Functional Analysis.

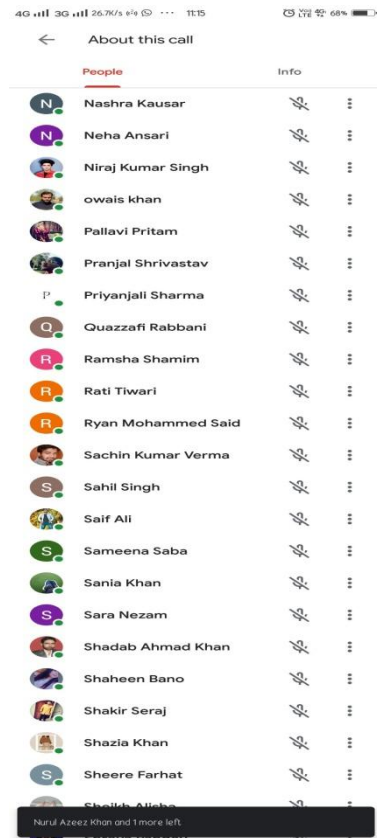

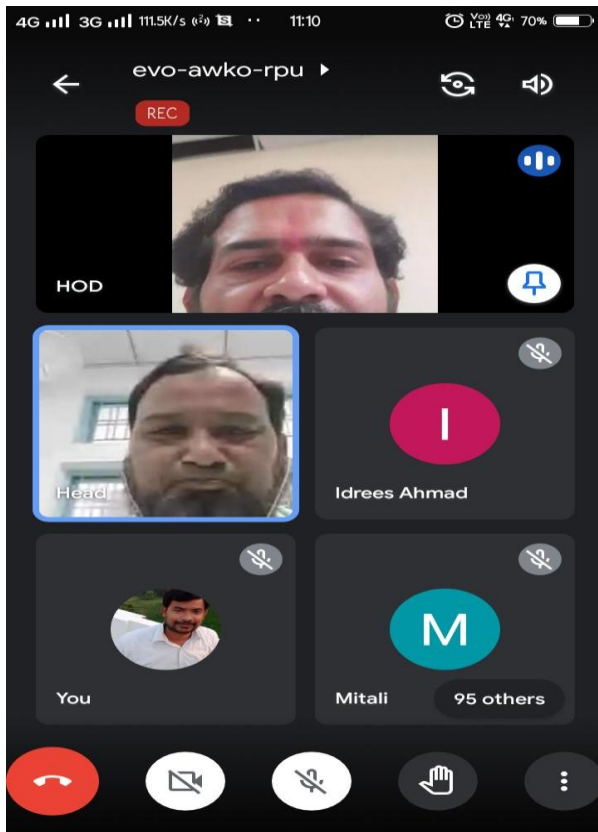

The Topic of this lecture was “**Basic Tools of Mathematical Analysis**”. The event began with welcome address by Dr Abdul Wadood Khan, Head, Department of Mathematics & Statistics. He introduced the guest speaker before the audience.

Prof. Vishnu Narayan Mishra, discussed the various concepts of Mathematics and their applications in daily life and also discussed about research and proper selection of topic for the project dissertation work. He emphasized the importance and scopes of the research in the real scenario. He also explained how good research will contribute to society and the nation as well. He motivated the students to explore their career in research

Around **100 participants** comprising students of different UG & PG programs running in the University along with the faculty members attended the lecture, and all the queries put forward by the audience were categorically addressed by the expert. The audience found it very informative and quite relevant to their subjects. The lecture was concluded with a vote of thanks by Dr. Idrees Ahmad Khan. The program was actively supported by all the members of the Department.
