Dear All,

Greetings from Environmental Law Society, Faculty of Law, Integral University, Lucknow.

The Environmental Law Society, Faculty of Law, Integral University is going to organize a **Round Table Conference** on the topic "RIGHT TO CLEAN, HEALTHY AND SUSTAINABLE ENVIRONMENT AS A HUMAN RIGHT" on the occasion of World Human Rights Day.

Human Rights Day commemorates the day the General Assembly of the UN adopted and proclaimed the Universal Declaration of Human Rights. The UDHR is one of UN's major achievements as well as the first enunciation of human rights across the world. Adopted on 10th December 1948, the Declaration stipulates universal values and a shared standard of achievement for everyone in every country.

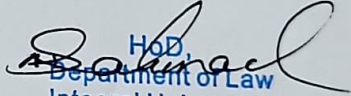

A clean, healthy and sustainable environment is essential for our survival. A stable climate is a precondition for good harvests and food security, for economic well-being and progress on human development. Sustainably managing, preserving and restoring healthy ecosystems and the rich biodiversity upon which healthy lives and livelihoods depend is critical to a development trajectory that ensures no one is left behind.

We warmly invite you to be a part of this event to make it successful and benefited by it.

Dear All,

The Environmental Law Society, Faculty of Law, Integral University organised a **ROUND TABLE CONFERENCE** on the theme "**Right to a Clean, Healthy Environment as a Human Right**" on the occasion of **World Human Rights Day 10th December 2022**.

Human Rights Day is an essential occasion for the whole of humankind, as on this day in 1948 that the United Nations General Assembly adopted the Universal Declaration of Human Rights (UDHR) which is one of the UN's major achievements as well as the first enunciation of human rights across the world. Adopted on 10th December 1948, the Declaration stipulates universal values and a shared standard of achievement for everyone in every country.

The President of India Mrs Draupadi Murmu noted in the official celebration address that it is the beginning of the worldwide, year-long celebrations of the **75 years of the UDHR**. She said that over the past few years, the world has suffered from a high number of natural disasters caused by unusual weather patterns. Climate change is knocking on the doors. People in poorer nations will pay a heavier price for the degradation of our environment. We must consider the environmental dimension of justice now.

The Chief Guest for the event was **Ms. Saba Khan**, the Technical Advisor at **GIZ Germany** Consulting for UNDP in Climate Change and Sustainable Environment Sector.

The students participated in the Round Table Conference with great zeal and enthusiasm. Students also asked their queries and suggested their valuable feedback & conveyed that these types of talks need to be held on a regular basis. The participants appreciated our chief guest's professional knowledge and experience during the conference.

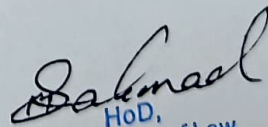

The Cultural and Literary Society, Faculty of Law, Integral University also released the video of **NUKKAD NATAK** at the Event. (Video link is attached)

The event ended successfully by giving a vote of thanks to the Faculty Coordinator of the society who expressed gratitude to the respected Chief Guest, Dr Naseem Ahmed (Dean), along with Faculty Members, Participants and all the supporting staff for making the event a successful one.
