Dear All,

The Faculty of Law, Integral University, Lucknow in collaboration with HRDC, organized an Online Lecture on Human Rights for students on the 9<sup>th</sup> of November 2022. The Topic of the lecture was, "**Vulnerable of the vulnerable. Women's Rights; How Far Realized.**". Among all the aspects of human rights, Women's Rights are important to be addressed because women are at the receiving end irrespective of which economic or social strata they come from. As time passes by, they are sliding deeper and deeper into the realms of deprivation. The lecture was academically enriching for our students to get an insight into the legal and social aspects of this problem. Such activities generate an intellectual movement to promote a culture of intellectual and social responsibility. This lecture also caters to the requirement of the United Nations Academic Impact which Focuses on the Sustainable Development Guidelines of the United Nations. Such lectures not only inculcate the sociological aspect of law but also remind us of our moral responsibility as a citizen. The fairer sex deserves the best and we strive to achieve the same.

The guest speaker, Dr. Khalid Shamim is an alumnus of AMU. He obtained his doctorate from the National Law Institute University, Bhopal. He is working as a professor in the department of law at Shibli National PG College, Azamgarh. His area of expertise is Intellectual Property Rights, in addition, he has substantial work for the underprivileged and the deprived section of society.

He delivered a very informative lecture. He talked at length about the inferior status of women entrenched in our history and culture. Whatever class a woman belongs to she is subjected to exploitation. He narrated the efforts made in this regard beginning from the Bengal Sati Regulation Act of 1829 to the Domestic Violence Act of 2005. A very long, meaningful and thought-provoking discussion was made on the Subrimala and Karnataka Hijab Controversy.

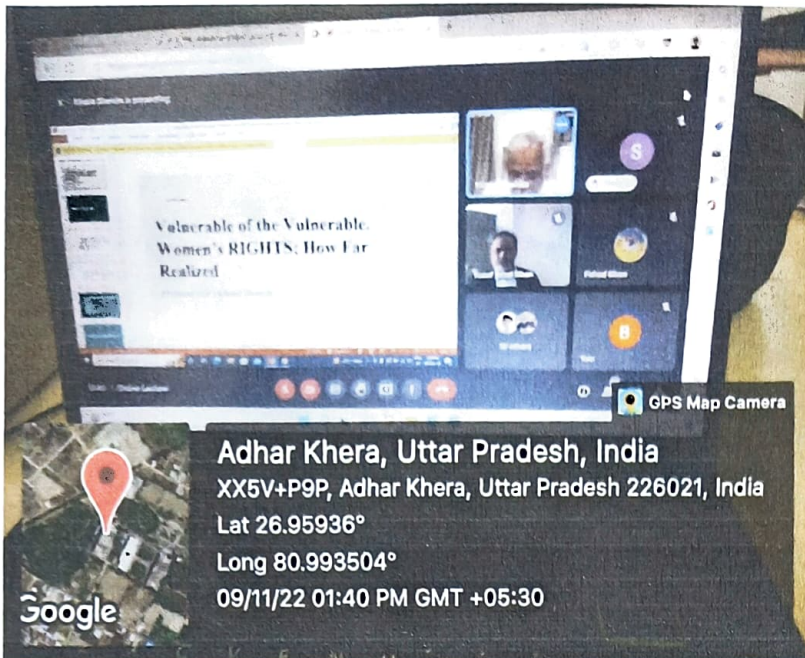

The members of the faculty and the students gained a lot of information on this important and burning issue that is tormenting our society for a long. The attendance of the students and the PPT of the expert are attached.

The program was held as follows;
