Report on  
Extension Activity on  
Save Water For Safe Water

There is no life without water. Water is not only important for human beings but for the entire ecosystem. Without enough water, the existence of humans, as well as animals, is next to impossible. After fresh air, water is the second most important natural resource for the survival of any living being.

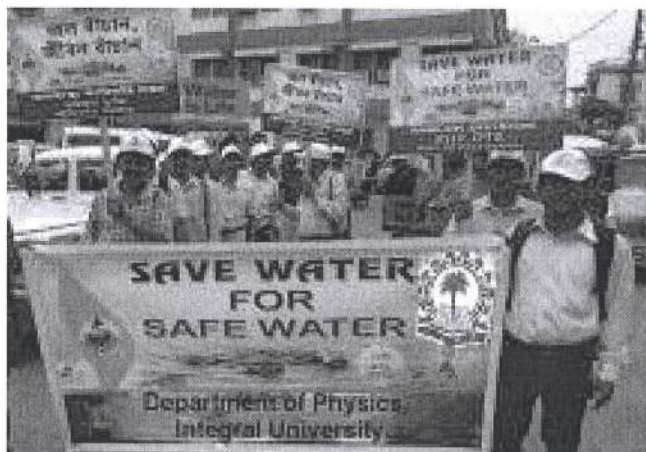

On the occasion of World Water Day 22<sup>nd</sup> March 2017 an extension activity was organized by the department of physics, integral university on SAVE WATER for SAFE WATER. Students from various departments participated in the event. The rally of the students went through the streets of a nearby village Pekramau. The students prepared many posters for holding in their hands with different slogans written on them. Following were the highlighted slogans both in Hindi and English language.

- Conserve water. Save a million lives.
- Save water. Save Earth.
- Drip, Drop, Drip, Drop. This clock must be stopped.
- Save water. The whole world depends on you.
- Save water today, secure your tomorrow.
- Save our water bodies. Save our planet.
- Save water. Make it a habit.
- Conserve water. The future is in your hands.
- *प्यासी धरती करे पुकार, वर्षा जल ना जाए बेकार ।*
- *जल होगा तभी तो कल होगा ।*
- *बूंद बूंद बचाएंगे, अपना सुन्दर कल बनाएँगे ।*
- *जल है तो कल है ।*
- *जल नहीं होगा तो अन्न भी नहीं होगा ।*
- *खेत का पानी खेत मे, गांव का पानी गांव मे ।*
- *गांव गांव जाएंगे, जल संरक्षण अपनाएंगे ।*

The students and faculty members also called up villagers to gathered in panchayat hall of the village located on Kursi road. The villagers were explained importance on water for us and for next generation in the future.

The rally ended by distributing refreshments to the villagers and the participants. About 300 student participated actively in the whole event. The faculty members from the department of physics and department of environmental science coordinated the event.
