Proud moment for Integral !!!

Faculty of Architecture, Planning & Design and Faculty of Law ranked by IIRF

Integral University is proving yet again that it is a leader in imparting quality education, believes in its motto “Inspiring Excellence” as a guiding principle for its goal of achieving quality in research and focus on providing ‘learner centric’ education.

It gives us immense pleasure to announce that Department of Architecture and Faculty of Law have been ranked by Indian Institutional Ranking Framework (IIRF) 2022.

IIRF ranked Faculty	State Rank	National Rank
Faculty of Architecture, Design and Planning	2	27
Faculty of Law	4	44

This could be achieved in part because of the effective leadership, dedication and efforts of the faculty and students of Architecture and Law.

Indian Institutional Ranking Framework (IIRF) 2022 ranks more than 1,000 institutions and is published by Education Post since 2016. IIRF is the most authentic for educational institutions and provides the most definitive list of

SAARC Universities, Indian Universities, Business Schools, Engineering Colleges, Law Colleges, Architecture and Design Institute as well as rankings based on course analysis for India and SAARC countries.

The University Ranking Committee, on behalf of the IU Leadership, congratulates all faculty members, students, and management for their consistent effort and hard work in quality improvement of research, academics, co-curricular activities and extracurricular activities.

We are sure that all departments would strive hard to expand the frontiers of knowledge and enhance the image of the University in terms of its influence and reputation as a leading Institute in academics and research.
