Dear All

The COVID-19 crisis has affected societies and economies around the globe and will permanently reshape our world as it continues to unfold. While the fallout from the crisis is both amplifying familiar risks and creating new ones, change at this scale also creates new openings for managing systemic challenges, and ways to build back better. To move forth in this transitory phase the entire human race is going through, Faculty of Humanities and Social Sciences, Integral University Lucknow, planned this awareness program on Mental Health of HIV & AIDS patients, and successfully organized on the day of World AIDS DAY on 1st December 2022.
