**A REPORT ON
CAREER GUIDANCE WORKSHOP CGW-2023****Organised by
Department of Biosciences**19th to 21st June 2023

Department of Biosciences, Integral University, organized a three-day career guidance workshop for students of UG and PG program Batch 2023, from 19th to 21st June 2023. The program included lectures by eminent speakers and engaging interactive sessions on career counselling and development of soft skills. This workshop was organized to guide students in choosing the right career and help them train for the attainment of professional skills required in CV/resume writing, presentation and job interviews.

Day 1 started with a welcome address by **Dr. Snober S. Mir**, Convener, CGW-2023 and HOD, Department of Biosciences, Integral University. The inspiring inaugural address was followed by a lecture by **Dr Poonam C. Singh**, Principal Scientist, CSIR-NBRI, Lucknow, on “*Career opportunities in Biological sciences*”. She briefed the students about different career domains after post-graduation. She also encouraged students to stay motivated and channel their energies in the area of research as well as entrepreneurship. She also emphasized that apart from conventional research areas, the students should explore options in other emerging fields and domains like nutrigenomics, Microbiome profiling and organic farming. She guided the students regarding employment opportunities in FSSAI and NABL-accredited labs. She also made students aware of the career opportunities in IPR (intellectual property Right) related fields.

On **day 2**, **Dr. Mohammad Israil Ansari**, Professor, Department of Botany, University of Lucknow apprised them about how to face and crack interviews for job recruitment. He also made them aware of dos and don'ts during job interviews. He encouraged the UG students to pursue their Masters and build their careers in research. He also informed them about various opportunities abroad both in educational as well as research fields. He also advised the students to prepare for various national tests for fellowships. He implored upon them to be innovative and smart in their approach and whatever career they choose in life. He also explained the importance of time management. The second lecture was delivered by **Dr. Shoaib Luqman**, Principal Scientist (CSIR-CIMAP) & Associate Professor (AcSIR), Lucknow on “*Career opportunities in Industrial Biotechnology*” in which students were told about the importance and scope of these areas. He advised the students to introspect and develop a clear vision of their aim in life and plan their career accordingly. He also gave them tips to qualify the CSIR-NET/JRF exam.

On day 3, **Dr. Syed Shadab Raza**, Associate Professor, Department of Biotechnology, Era University, Lucknow, sensitized the students to pursue research in the area of Stem cell technology. He interacted in a friendly manner with students and made them aware of the opportunities in Biological sciences especially in the field of neurosciences. He emphasised on the need for developing trained human resource in the area of Stem cell therapeutics and regenerative medicine. He made the students aware of the career prospects in this cutting edge field. In another session, **Dr Gyanendra Kumar Sonkar**, Additional Professor, KGMU, Lucknow, gave a deep insight into various fellowships like CSIR, ICMR, DBT etc. He encouraged students to set up long-term goals and work towards them. Students were counselled about how to make effective PowerPoint presentations and perform SWOC Analysis to use it in real-life situations such as selecting the right career option. They were also advised about the soft and hard skills which can be used to make their CV impressive by **Dr. Swati Sharma**, the Organising secretary, **Dr. Taiba Saeed**, **Dr. Durdana Yasin**, and **Ms. Smita Rai**, the coordinators of the workshop.

INTEGRAL UNIVERSITY **A+**

Convener: Dr. Snober S. Mir

CAREER GUIDANCE WORKSHOP
19-21 JUNE 2023
Department of Biosciences

E-CERTIFICATES WILL BE ISSUED TO ALL THE PARTICIPANTS

For any queries please contact:
Organizing Secretary:
Dr. Swati Sharma ☎ 9415546863
Coordinators:
Dr. Taiba Saeed
Dr. Durdana Yasin
Ms. Smita Rai

Aim:

- To guide students about future career opportunities
- To teach an effective presentation designing
- To teach effective CV designing
- To guide students about facing interviews

Who can apply?

All final year Undergraduate and Post graduate students of Department of Biosciences

Venue:

BT-1 and Seminar Hall, Department of Biosciences, Integral University

Day 1: Dr Poonam C. Singh, Principal Scientist, CSIR-NBRI, Lucknow, giving lecture on *"Career opportunities in Biological sciences"*

Day 2: Dr. Mohammad Israil Ansari, Professor, Department of Botany, University of Lucknow, sensitising students about career opportunities

Day 2: Dr. Shoaib Luqman, Principal Scientist (CSIR-CIMAP) & Associate Professor (AcSIR), Lucknow addressed students on *"Career skills and opportunities in Biochemistry and Biotechnology Research"*

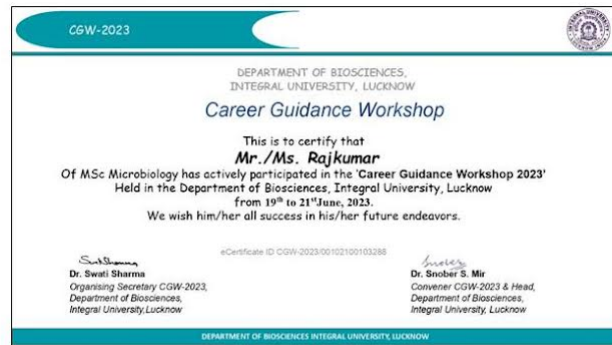

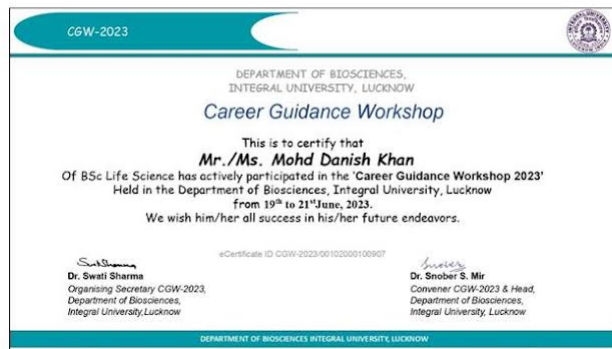

Day 3: Dr. Syed Shadab Raza, Associate Professor, Department of Biotechnology, Era University, Lucknow, sensitized the students to pursue research in the area of Stem cell technology.

Day 3: Dr Gyanendra Kumar Sonkar, Additional Professor, KGMU, Lucknow, sensitising students to the various fellowships like CSIR, ICMR, DBT etc.

E-Certificates issued to students

Best Regards
Dr. Snober S. Mir,
Head, Department of Biosciences,
(A DST-FIST sponsored Department),
Integral University,
Dasauli, Kursi Road,
Lucknow-226026.
