Department of Electrical Engineering

Report on Extension Activity “Swachh Bharat Abhiyaan ”

Swachh Bharat Abhiyan is one of the most significant and popular missions to have taken place in India. Swachh Bharat Abhiyan translates to Clean India Mission. This drive was formulated to cover all the cities and towns of India to make them clean. This campaign was administered by the Indian government and was introduced by the Prime Minister, Mr. Narendra Modi. It was launched on 2nd October in order to honor Mahatma Gandhi’s vision of a Clean India. The cleanliness campaign of Swachh Bharat Abhiyan was run on a national level and encompassed all the towns, rural and urban. It served as a great initiative in making people aware of the importance of cleanliness.

The faculty coordinators Dr. Mirza Mohd Shadab and Dr. Mohd Khursheed along with students of Department of Electrical Engineering, Integral University, Lucknow went to Prathmik Vidhyalaya at Pakhramau, Kursi Road, Lucknow on 13th Nov’21. They interacted with the staff members, and students of Prathmik Vidhyalaya. All of them were very curious about the activity and when they were briefed about the cleanliness of their surroundings and personal hygiene, they actively participated in the various activities. To encourage them, students of Electrical Engineering Department with the help of some students of the school cleaned the school and its surroundings. Students were asked to use a dustbin for the dumping of garbage. The importance of daily sweeping to keep the surroundings clean was also demonstrated. For personal hygiene, all were encouraged to use toilets, sanitizers, hand wash on the regular basis to avoid various diseases.

The program ended on a high note with the distribution of kits including pencil, sharpner, eraser, etc to the students of the Prathmik Vidhyalaya
