

INTEGRAL UNIVERSITY

College Of Pharmacy Integral University, Centre Shahjahanpur

: PROGRAMME REPORT:

Event: “National Pharmacy Education Day” held on 6th March

Why was the event scheduled?

- **Pharmacy Council of India (PCI)** has decided to recognize the contribution of Prof. Mahadeva Lal Schroff for establishing the Pharmacy Education in India by declaring his **'Birth Anniversary' 6 March** as **“National Pharmacy Education Day”**.
- Prof. M. L. Schroff, is recognized as the **Father of Pharmacy Education in India**. He certainly remains an ideal to all pharmacists working in this country irrespective of their branches and diversity of duties.
- He played a great role in building pharmacy education in India, he also contributed to the development of other aspects of the pharmacy profession. Prof. Schroff **started the M. Pharm. Education in 1940** at Banaras Hindu University (BHU) with his efforts. Slowly, pharmacy education sprung up in different places in India.
- In this context, the College of Pharmacy, Integral University observed **National Pharmacy Education Day on 06-March-2024**.
- Mr. Abdul Baseer khan, the head of department of pharmacy campus Shahjahanpur integral university, delivering a lecture on the new education policy (NEP) in India is a significant event that sheds lights on the transformative changes taking place in the education of the country.
- During the lecture Mr. Abdul Baseer khan likely emphasized the key features and objectives of the NEP.
