

Report on Workshop on "Intellectual Property Rights" organized by the Department of Civil Engineering, Integral University on May 11, 2024

The Department of Civil Engineering, Integral University organized a one-day workshop on "Intellectual Property Rights" on May 11, 2024, needed to inculcate how the students can use the intellectual property rights, claim the benefits & get security in their startups.

The event commenced with a warm welcome from Mr. Zishan Raza Khan, Associate Professor Department of Civil Engineering, who greeted the guest speakers- Ms. Hemaxee Bhavesh Bhatt, Patent and Trademark Attorney, and Dr. Mohammed Asim, Associate Professor and Coordinator IPRMC. The workshop was carried out in 2 sessions.

The introductory session was taken in an online mode by Ms. Hemaxee Bhavesh Bhatt in which she explained intellectual properties, intellectual property laws & their clauses. In this session, the students were taught about the Intellectual Property Rights & their principles. Also, the students were given enough information about how to use this knowledge to proceed forward in a startup company.

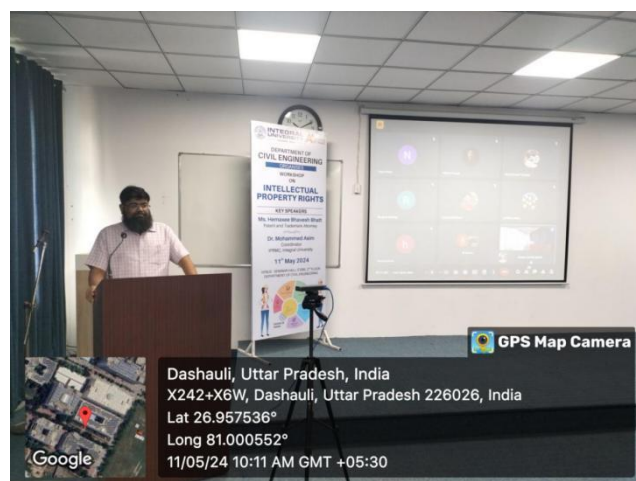

The last session was fascinated by Dr. Mohammed Asim (Offline mode). A complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also, the speaker explained the difference between these topics, also the validity for each right, judicial laws available under each right & the limitations of each right.

The event witnessed active participation from ten faculty members and 45 students. Dr. Neha Mumtaz, Associate Professor, Department of Civil Engineering, extended the vote of thanks.

The workshop focuses on different aspects of Intellectual Property Rights (IPRs), Conversion of the research/project works into Patents and Hands-on-Training on patent searches for Innovations. This workshop will bring a positive transformation in the faculty member's attitude in their UG/PG Projects and research works and get them more focused as well as result oriented.

The successful coordination of the event was attributed to Mr. Rajiv Banerjee, Associate Professor, Civil Engineering Department, and Mr. Mohd Asim, Assistant Professor, Civil Engineering Department.
