Report on Guest Lecture On Innovations and Challenges in Dairy Technology 29/09/2021

The Department of Agriculture organized an Expert Lecture on the topic “**Innovations and Challenges in Dairy Technology**” on 29/09/2021 in Seminar Hall, Agricultural Block, IIAST. The Guest Speaker was Mr. Rashid Khan, Marketing Management, Parag Dairy, Chakganjariya, Lucknow, a seasoned professional with a wealth of experience and expertise in leadership and management. The Guest Lecture commenced with the Welcome Address of Dr. Saba Siddiqui, Department of Agriculture who welcomed the Guest followed by a short speech.

Mr. Khan began his lecture by providing an overview of the Indian dairy industry and its significance in the country's economy. He highlighted the role of dairy cooperatives and private players in meeting the growing demand for milk and milk products.

Mr. Khan shared his industry experience and provided insights into the latest trends and best practices in dairy technology. He emphasized the importance of research and development, as well as collaborations between academia and industry, to address the challenges and drive innovation in the dairy sector.

The lecture was attended by faculty members, researchers, and students from various departments of IIAST, including Food Technology, Biotechnology, and Agriculture. The participants actively engaged in the discussion, asking questions and sharing their perspectives on the topic.

The guest lecture provided a valuable opportunity for the academic community to gain practical knowledge and understand the industry's perspective on dairy technology. IIAST expressed its gratitude to Mr. Rashid Khan for his insightful presentation and for fostering an enriching dialogue on this important subject.
