Dear All,

The Environmental Law Society, Faculty of Law, Integral University, Lucknow, in association with "National Service Scheme", has successfully organised a "Pledge Ceremony" on the theme "ए.सी का प्रयोग घटाए, पेड़ लगाकर पृथ्वी को बचाए" in Village "Chandan, Indra Nagar", on 5th June, 2024 at 10:00 am, on the occasion of "World Environment Day", an important worldwide occasion devoted to bring attention to and encourage action for environmental conservation.

This Pledge Ceremony aims to promote environmental awareness in local communities. In the event all the students as well as villagers took a collective pledge to support and engage in activities promoting environmental sustainability in line with the sustainable development goals of 13, 14, 15 and 11 for a Clean, Green, eco-friendly society. Following the pledge, students also participated in a tree plantation drive.

A total of 35 students have participated in the event each contributing diverse perspectives and insights. The event successfully instilled a sense of responsibility and proactive attitude towards environmental conservation among the students. The planted saplings will contribute to the Earth's greenery, enhancing the environment and serving as a living reminder of our collective commitment to sustainability. The initiative also served as a practical example of how small actions can contribute to broader environmental goals.

The event was organized under the direction and guidance of Dr. Seema Siddiqui (HoD, Faculty of Law, Integral University), and Faculty Convenor Dr. Manzoor Khan (Assistant Professor, Faculty of Law, Integral University).
