

# A Brief Report on “Enviro Olympiad 4.0”, A National Level Online Quiz held on 5<sup>th</sup> June 2024

Organized by Department of Civil Engineering, Integral University, Lucknow

In the realm of environmental stewardship and sustainable development, every action counts. On June 5, 2024, amidst the global celebration of World Environment Day, the Department of Civil Engineering at Integral University, Lucknow, took a significant step towards fostering awareness and education with the Enviro Olympiad 4.0. The theme of this year’s World Environment Day is “**Land Restoration, Desertification & Drought Resilience**”. This national-level online quiz event was not just a competition; it was a beacon of learning, encouraging participants of all ages to delve into the intricate issues of Land Restoration, Desertification & Drought Resilience.

Thus, to inculcate knowledge and awareness, a national-level quiz was organized and opened for all age groups and was free of charge. It consisted of multiple-choice questions that tested participants’ knowledge, application and analytical skills; and simultaneously spread awareness on various topics related to the environment.

The poster features a green leafy background with a central image of two large trees in a misty forest. At the top left is the Integral University logo and 'INTEGRAL UNIVERSITY LUCKNOW - INDIA'.
