**INTEGRAL
UNIVERSITY**

**Brief Report
on
Expert Lecture: Career Growth in Plant Automation**

**Organized
by
Department of Electrical Engineering**

The Department of Electrical Engineering organised an expert lecture on "**Career Growth in Plant Automation**" on February 27, 2024, at 11:00 a.m. in Hall-1, Central Auditorium. The Distinguished Expert was **Mr. Ehsanul Haque**, Technical Consultant, General Electric International Inc. USA (also Former Distributed Control System Design Engineer, BHEL), delivered the lecture online from Dist. Haifa, Israel.

Dr. Mohammad Atif Siddiqui, Head, Department of Electrical Engineering, graced the occasion and also discussed the need for an expert talk.

The expert talk started with an engaging and energetic address by **Mr. Ehsanul Haque**, which was an eye-opening session on automation, distributed control systems, networking, and network security. The speaker also informed about the big players in plant automation industries like GE, Siemens, ABB, Rockwell, Samsung, etc.

During the session, Mr. Ehsanul Haque provided information regarding why we should choose the field of automation and how we can create a career in power plant automation.

The session was very interactive, and the students were very pleased after the session. A total of **50 students** from the **B.Tech.** and **M.Tech. courses** in the **Electrical Engineering** Branch attended & benefitted from the expert lecture.

Dr. Monauwer Alam introduced the guest speaker, and **Dr. Asif Jamil Ansari** proposed the vote of thanks. The expert lecture was well coordinated by Dr. Monauwer Alam and **Dr. Mirza Mohd. Shadab**.

Mr. Ehsanul Haque

Technical Consultant

General Electric International, Inc.

USA

Glimpses of the Session:

Warm Regards,

Dr. Mohammad Atif Siddiqui
