Dear All,

The Faculty of Law, in collaboration with the Department of Computer Application, has organised a workshop on **AI's Impact on Profession: Navigating Opportunities and Challenges** on **07th October, 2023**. The **venue** for the workshop was **T-308, Third Floor** Faculty of Law, Integral University, Lucknow. The guest speaker for the workshop was **Mohd. Faraz**, distinguished AI Expert from Lucknow. The workshop witnessed a total of **107 participants**, including undergraduate and postgraduate students.

The workshop aimed to provide insights into the field of artificial intelligence and its applications in the legal domain. The workshop comprised an introduction to the basics of artificial intelligence, covering topics such as machine learning, natural language processing, and computer vision. Participants were encouraged to ask questions and engage in discussions to enhance their understanding of AI concepts. Mr. Mohd. Faraz provided practical examples of how AI can be leveraged in the legal profession. He highlighted its potential to streamline document review, contract analysis, and legal research, thereby improving efficiency and accuracy. The attendees were also introduced to the ethical and legal considerations surrounding AI in the legal sector. The workshop concluded with a Q&A session, enabling participants to seek clarifications and share their thoughts on the integration of AI in the legal field. Overall, the workshop on artificial intelligence by the Faculty of Law at Integral University served as an informative platform for attendees to understand the fundamental concepts and applications of AI in the legal sector. It encouraged meaningful discussions about the ethical and legal dimensions of AI, leaving participants with a broader perspective on this emerging technology.
