Report on ♪ Singing Competition ♪ Organized by Art and Cultural Club, Department of Computer Science and Engineering

The **Art & Cultural Club** of the Department of Computer Science and Engineering, Integral University organized a "**Singing Competition**" on October 10, 2023 at Seminar Hall Academic Block B.

"Music has the power of forming the character and should therefore be introduced into the education of the young".
-Aristotle

To enhance communication, creativity and self-confidence of students, we provided a stage for the students of all branches of B.Tech, to participate in the singing competition. Our jury members were Mrs. Roshan Jahan, Mrs. Ankita Srivastava & Mr. Ijtaba Saleem. The participants were judged on their vocals, expressions & showmanship. The judges were amazed with the performance and enjoyed the competition among students.

1. BeatBoxers, CSE

2. Audience at the event

Event was kickstarted with the rocking performance of our two beat boxers Abdullah Masih & Ali Sarosh. In total, 18 participants participated, who gave their best and sang with lots of passion and confidence. The participants attracted the audience with their melodious songs. The Competition was enjoyed by 124 people in the audience with ardour and avidity. Their enthusiastic reactions created a vibrant atmosphere, the collective energy in the room was palpable, and the audience revealed the joy of live music, supporting their peers with thunderous applause and heartfelt encouragement. The event ended with a duo performance by our guest singers, Shuangam and Yohana of BCA.

The overall event was conducted by faculty advisors Mrs. Saleha Mariyam & Mrs. Anum Kamal, student coordinators Rafiya Siddiqui, Syed Falah Jamal, Altamash Kamal & Arohan Chaudhary as well as hosts Fakhra Mariyam & Aliya Tariq and members of Art and Cultural Club. The whole team really worked hard in making the event successful.
