**Report on
"KAHANI AAPKI ZUBANI" An on-spot Storytelling Competition
Organized by
Art and Cultural Club, Department of Computer Science and Engineering
in collaboration with
Department Placement Committee**

The **Arts & Cultural Club** of the Department of Computer Science and Engineering, in collaboration with the Department Placement Committee, successfully organized “**Kahani Aapki Zubani**” an on-spot storytelling competition, inspiring creativity and expression among students, on November 6, 2023 at Seminar Hall 1, Central Auditorium.

Stories are more than just words. They are windows into other worlds, other lives and other perspectives. They can make us ponder, laugh, cry and feel and also give a spark to one's imagination.

To encourage students to unleash their storytelling talents, we provided a stage for all the students of Faculty of Engineering and Information Technology to express themselves in a unique manner. The event saw enthusiastic participation of the students. The Competition began at 12:20 pm & concluded at 1:30 pm.

The participants were judged impartially by the judges for story telling: Dr. Sheeba Parveen(CSE), Dr. Faiyaz Ahmad(CSE), Mrs. Roshan Jahan(CSE), Dr. Aisha Kamal(BioEngg.) and Dr. Akhlaq Ahmad (EE).

Glimpses of the event:

The participants were judged on their stories, expression & showmanship. The judges found it difficult to decide the winners as it was a tough competition. Total 8 teams participated enthusiastically, gave their best with lots of confidence. The participants attracted the audience with their stories. The Competition was enjoyed by the audience with ardour and avidity. Their enthusiastic reactions created a vibrant atmosphere, the collective energy in the room was palpable, and the audience revealed in the joy & also in the imagination of the stories, supporting their peers with thunderous applause and heartfelt encouragement.

The overall event was conducted by faculty advisors Mrs. Saleha Mariyam & Anum Kamal, coordinators Rafiya Siddiqui, Syed Falah Jamal as well as hosts Samna Iqbal and Shobhit Jaiswal and members of Art and Cultural Club in making the event a grand success.

Special thanks to Mrs. Kavita Agrawal, Head, Dept. of Computer Science, Dr. Sheeba Parveen (AMC Convenor), our Placement coordinator Ms. Roshan Jahan whose mentorship and support guided in smooth conduction of the event. We would also like to thank our jury members and Dr. Faiyaz Ahmed, whose support and presence at the event kept us motivated and confident.

Arts and Cultural Club team feels proud to announce the top two winning teams of the competition.

1st: Team Riders (Humza Anwar Khan, Hooraa Abbas Naqvi, Adeel)
