“Spread Warmth and Joy - Join Our Donation Drive!”
1st February, 2024

The **Social Responsibility Club** of the **Computer Science Engineering Department**, in collaboration with the **NGO "PYS Foundation"**, embarked on a noble endeavor to alleviate the plight of the underprivileged through a Cloth Distribution Drive. This initiative aimed to provide essential clothing to those in need, particularly as winter approached.

To ensure widespread participation and support, the Winter Clothing Drive was extensively promoted within the university campus community. Information about the drive was disseminated through various social media platforms and posters distributed across the department and university campus. This proactive approach helped garner significant attention and support for the cause.

From **December 1st to 31, 2023**, collection bins were strategically placed at various locations within the campus to facilitate the donation process. The response from stakeholders across the university was overwhelming, with a generous outpouring of donated clothes. Subsequently, volunteers diligently sorted the donated clothes by age-group and season, ensuring that recipients would receive appropriate apparel tailored to their needs.

The culmination of the donation drive saw the distribution of clothes on **1st February 2024**, in the **Munshipuliya** area and its vicinity. Clothes were distributed to more than **75** people belonging to marginalized segments of society, including **orphans, widows, the elderly, and individuals** residing in **orphanages, slums, and asylums**. This targeted approach ensured that the donated clothes reached those who needed them the most, providing warmth and comfort during the harsh winter months.

The success of the Cloth Distribution Drive can be attributed to the concerted efforts of the Head of the Department of CSE, **Mrs. Kavita Agrawal**, faculty coordinators **Dr. M. AKBAR & Dr. Sheeba Parveen**, several student coordinators **Zavil Huda, Abdullah Noor, Areeba Saeed, Ruhul Fatima Abidi etc.** and the officials from the **PYS Foundation** NGO eg; **Mr. M. I. Khan & Mr. Hammad Ahmad**. From planning and coordination to execution and implementation, every stage of the drive was meticulously carried out with dedication and enthusiasm.
