**Seminar
On
Global Certifications Titled "Get Certified Get Ahead: Crafting Success with Global Certification"
8th February 2024**

A seminar was conducted by the Department of Computer Science & Engineering of Integral University on February 08, 2024, titled **"Get Certified Get Ahead : Crafting Success with Global Certification"**. The aim of the seminar was to inform and inspire students about the importance of getting certifications and upskilling in order to be industry ready by the time they graduate. The host of the seminar was Mrs. Halima Sadia, a faculty member of the Department of Computer Science & Engineering, who welcomed both the guest speakers and respected Head of Department, **Mrs. Kavita Agrawal**. The guest speakers were **Mrs. Aashi Aggarwal Mittal**, Director of Etrain India, and **Mr. Mandaar Barve**, Regional Manager of Certiport.

Etrain India is an education technology company and an end-to-end solutions provider for various global certification programs and Certiport is the leading provider of certification exam development, delivery and program management services delivered through an expansive network of over 14,000 Certiport Authorized Testing Centers worldwide. The seminar was divided into two sessions: a presentation session and a Q&A session. In the presentation session, the guest speakers shared their insights and experiences on the following topics:

• The current trends and challenges in the IT industry and the skill gap between the academic curriculum and the industry requirements.
• The benefits and opportunities of getting certified in various domains such as Microsoft, Adobe, Autodesk, IBM, EC-Council, etc.
• The process and resources for preparing and taking the certification exams, such as online courses, practice tests, exam vouchers, etc.
In the Q&A session, the guest speakers answered the queries and doubts of the students regarding the certification programs, exam formats, eligibility criteria, costs, validity, recognition, etc. The seminar was interactive and engaging, with the guest speakers using multimedia tools, such as slides, videos, and demos, to illustrate their points and examples. The seminar was well-received and appreciated by the students, who expressed their interest and enthusiasm for getting certified and upskilling themselves. As the seminar was coming to an end, the host invited upon Mrs. Kavita Agrawal extended a heartiest thanks to the guests, who took out some of their valuable time to guide the students, who made this event a great success by their cheerful participation.

The seminar was a valuable and informative event that enlightened the students about the importance of getting certified and upskilling in order to be industry ready when they graduate. The seminar also motivated and encouraged the students to pursue their career aspirations and goals with confidence and competence. The seminar was a successful collaboration between the Department of Computer Science & Engineering of Integral University, Etrain India, and Certiport, who provided their expertise and support for the event. The seminar was a part of the ongoing efforts of the Department of Computer Science & Engineering to bridge the gap between academia and industry and to enhance the employability and career prospects of the students.

The seminar was coordinated by Dr. Sheeba Praveen , Associate Professor, Dept. of CSE, Ms Qudsia Shahab, Mr. Ajaz Warsi, Mr. Monis Faroqui and Student coordinators Mr. Zavil Huda Quraishi, Mr.

Abdus Samad Khan, Mr. Sayed Mohammed Ayan.
