REPORT*on***Educational Tour: Visit to Chandigarh & Manali****14 – 20 January 2024**

It is with great pleasure to share the report on the Visit to **Chandigarh** and **Manali**, under the educational tour of students. The tour was organized for 66 students of **B.Tech (CSE)**, led by four faculty members from the Department of Computer Sc. & Engg. Under the amicable & disciplined supervision of **Dr. Mohd Suaib, Dr. Mohd Akbar, Ms. Nida Khan, and Mr. Maruti Maurya**, the tour was accomplished during winter vacation from **14 Jan to 20 Jan 2024**. The purpose of this tour was to enhance the practical knowledge of our students and to give them exposure to industry insights and recreational activities. Visits to various locations and activities performed thereon, are as follow-

Visit to CDAC at Chandigarh: The tour commenced with a visit to **CDAC (Center for Development of Advanced Computing)** in Mohali, Chandigarh. The representatives from CDAC provided valuable insights into their company's operations, technologies, and ongoing projects. The enlightening sessions on Future IT Technologies in Healthcare & Academics provided our students with invaluable insights and learnings. The enriching knowledge and experiences students have gained at CDAC will shape their understanding of cutting-edge technologies in the real-world environment and will undoubtedly benefit them in their academic and professional pursuits.

Kullu Excursion: After the enlightening visit to CDAC, we proceeded to Kullu for sightseeing and engaging activities. The students were thrilled to participate in adventurous activities such as rafting and paragliding, which not only provided them with a break from their routine but also fostered teamwork and camaraderie among the group.

Manali Exploration: The tour then moved on to the picturesque town of Manali, where students had the opportunity to explore Mall Road for shopping and experience the local culture. Additionally, Solang Valley offered a thrilling experience with activities like zip-lining and yak rides, providing a perfect blend of adventure and leisure.

Koksar Snow-point: On the following day, the group headed to Koksar for a snow-filled experience at the snow-point. This added a unique dimension to the tour, exposing the students to diverse climates and landscapes in our country.

The Industrial tour successfully ended on 20th jan 2024, achieving the objectives of providing practical insights, fostering team spirit, and offering a well-rounded educational experience. The students not only gained knowledge related to their field of study but also enjoyed recreational activities that contributed to their personal development. Such initiatives play a pivotal role in broadening the horizons of our students and preparing them for the challenges in their future careers.

Glimpses of the Visit:*On the way to Manali**Faculty Members with CADAC Officials*

Technical Session at CDAC, Chandigarh
