Dept. of Computer Science and Engineering  
Organized  
Alumni Connect and Guest Lecture  
on  
Career Placement Opportunities and To Study Abroad  
18<sup>th</sup> March, 2024

### Report

Dear All,

On 18 March, 2024, the Departmental Placement Committee of the Department of Computer Science and Engineering organized the event, the "Alumni Connect and Guest Lecture". Studying abroad is not merely an academic endeavour; it's an enriching journey that moulds individuals into global citizens, equipping them with skills and perspectives vital for success in today's interconnected world. In line with this objective, we invited two speakers, **Mr. Adnan Beg** and **Mr. Prateek Garg**, to enlighten our students with their expertise and experience.

Mr. Adnan Beg is an esteemed alumnus of Integral University, belonging to the 2020 batch of BTech graduates. He is an accomplished professional currently serving as an Associate in Global Technical Support at CIENA, a leading telecommunications networking equipment and software services provider.

Mr. Prateek Garg, a distinguished consultant at Global Reach, the epitome of excellence in the field of overseas education. With over 32 years of unwavering commitment and dedication, Global Reach has rightfully earned its reputation as the foremost overseas educational consultancy. Representing over 500 universities worldwide and facilitating the enrollment of more than 50,000 students in prestigious educational institutions, Global Reach stands as a beacon of opportunity for aspiring scholars.

The guest lecture was attended by 224 students. The insightful presentations of speakers have illuminated the understanding of career placement opportunities and studying abroad among students. The event ended with a presentation of memento, as a token of appreciation to both speakers by **Dr. Shish Ahmed**.

The overall event was conducted by the Department Placement Committee of the Department of Computer Science and Engineering. The success of this event is testament of dedication and hard work of its coordinator, **Ms. Roshan Jahan**, as well as its members, **Ms. Ambreen Anees** and **Ms. Saleha Mariyam**. The guest lecture was hosted by Ms. Anum Kamal.

We extend our heartfelt thanks to all the faculty members and students who contributed to the success of the “Alumni Connect and Guest Lecture” event.

Special thanks to **Mrs. Kavita Agrawal**, Head, Dept. of Computer Science and Engineering, whose mentorship and support guided in smooth conduction of the event. We would also like thanks to Ms. Anum Kamal, Mr. Faizan Ahmed and Mr. Anas Habib Zuberi, whose support and presence at the event kept us confident.

**Glimpses Of The Event :**

1. Mr. Adnan Beg with Dr. Shish and Ms. Roshan

2. Mr. Prateek and his team with Dr. Shish and Ms. Roshan

3. Department Placement Committee and speakers

4. Audience at the event

--  
With Regards,

Kavita Agrawal  
Head, Deptt of CSE  
Chairperson, Women's study center  
Integral University, Lucknow, India
