Value- Added Course

CSV-23-03: HTML, CSS and Javascript / Web Development

The DQAC, Department of Computer Science and Engineering, Integral University, Lucknow, organized a two-week value-added course on '**HTML, CSS and JavaSript / Web Development**' in hybrid mode. The two-week value-added course, with 30-hours of active engagement, was organized from 2nd February 2024 to 18th February 2024.

The course enabled the participants to understand the concepts of Web Technology and make them Industry ready. The students dived into the concepts of HTML, CSS, and JavaScript to create and style web pages. They studied framework React JS, practiced responsive design, and used different tools for web development.

The online 30-hours value-added course was organized under the able guidance of *Ms. Kavita Agrawal*, Head, Department of CSE, Integral University, Lucknow. The event was successfully organized by *Dr. Halima Sadia*, Associate Professor, Department of CSE, Integral University. The course structure and module description were designed *Mr. Shabi Ata Khan*, Director, One Big Bit Technologies, Lucknow. The overall event was well coordinated by *Ms. Nudrat Fatima, Ms. Ummey Habiba, Mr. Mohd Aalam,* and *Ms. Shara Fatima*, Assistant Professor in the Department of CSE, Integral University, Lucknow.
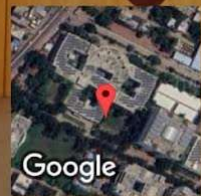

Mr. Shekhar Joshi, Trainer, One Big Bit Technologies was the resource person for this course. He explained the importance of Web Technology and the different aspects of React Js and CSS.

A total of 283 students of 2nd year B.Tech. registered for the course and completed it successfully. The distribution of E-Certificate was based on students' attendance, submitted assignments, and their performance in the offline sessions of the course.
