on

Health and Hygiene Practices

Department of Bioengineering collaborated with **National Service Scheme (NSS)** for organizing an extension activity on “**Health and Hygiene Practices**” on **March 02 2023**, at **Paikramau Village, Lucknow**. This activity was in alliance with government scheme “**Swachh Bharat Abhiyan**”. Maintaining proper health and hygiene practices are necessary to avoid diseases and live a healthy life. Proper hygiene is helpful in developing immunity and can prevent the spread of diseases and infections.

The aim of this program was to increase the awareness among under privileged women about importance of hygiene practices. **Ms. Mantasha Khan** Student of B.Tech biotechnology 2nd yr demonstrated” How to wash your hands” activity. Many doubts and myths about hygiene practices were demystified by students. The students had distributed hygiene kits and create the awareness of role of hygiene in healthy living. The program was coordinated by **Ms. Poonam Sharma**, Assistant Professor, Department of Bioengineering, NSS Program Officer, Integral University. In this activity, 152 students; **70 male and 82 female** students participated. The response from the audience was quite overwhelming.
