

Alumni Interaction Report
on
“Alumni Interaction Program”
Monday, April 15, 2024

The Alumni Welfare Association of Integral University (AWAIU) and Department of Biosciences, Integral University, Lucknow organized an Alumni Interaction Program for the students on April 15, 2024 at Central auditorium, Hall-1. The speaker of this program was **Dr. Abu Bakar**, an alumnus of M. Sc. Biotechnology (Batch 2016) and Ph.D. (2021) of Integral University, Lucknow, who is currently pursuing Post Doctorate Fellowship, at the North Western University, Chicago.

Program started with the welcome address by **Prof. Snober S. Mir, Head of the Department, Biosciences** which was followed by highly motivational and interactive lecture delivered by the speaker. The Alumni Interaction was designed to help students right from professional to career discussions. The speaker discussed the importance of being in contact with alumni to enhance the research network building and to get better career opportunities after the course completion. He also discussed that how to search for desired research lab working in the quest of latest research challenges. The session was an interactive session with the alumni answering to various queries raised by the students.

The program concluded by handing over the **Certificate of Appreciation** to **Dr. Abu Bakar** by Alumni Welfare Association of Integral University (AWAIU).

The alumni interaction program concluded with the vote of thanks delivered by **Dr. Salman Khan**, President, Alumni Welfare Association of Integral University (AWAIU) and faculty member, Department of Biosciences.
