**Brief Report on the Plantation Drive 2023  
Organized by Electronics & Communication Engineering Department**

Electronics & Communication Engineering Department organized a plantation drive at Shalimar Garden Bay Society, IIM road on 9th December 2023 as part of the plantation initiative, which is aligned with the Indian government's 'Green India Mission', which aims to increase forest and tree cover to enhance ecosystem services and promote sustainable forest management.

The plantation drive was organized by Dr. Saima Beg and Mr. Zohaib Hasan Khan together with our colleague Dr. Shailendra Kumar. They addressed students and residents and emphasized the urgency of taking proactive steps toward plant conservation. They highlighted the integral role that trees and plants play in purifying the air, conserving soil, providing habitat for wildlife, and beautifying our surroundings. They said that the plantation drive was not merely a one-day event, but should be a long-term commitment to nurture and care for the saplings that were planted. Integral University students, faculty and staff members enthusiastically planted a diverse range of saplings, including native trees, ornamental plants, and medicinal herbs. The act reflects the university's dedication to ecological balance and sustainable landscaping practices. This plantation drive at Shalimar Garden Bay Society, Lucknow inspired and motivated students and residents and set an example of the positive change that can be brought about when individuals and institutions unite for a common cause. The event not only raised awareness about the conservation of plants but also ignited a sense of ownership and connection with the environment, which will help in biodiversity conservation in the long run.

Subject: Extension activity on outreach Plantation Drive to promote sustainable development goal

Sir

With due regards this is to inform you that department of Electronics & Communication Engineering want to do an extension activity such as plantation drive on 9 Dec 2023 at Shalimar Garden Bay society, IIM road, Lucknow. The main aim of this outreach Plantation Drive is to promote sustainable development goals (16), contribute toward the betterment of our environment and direct the student's mind in constructive activities which have positive outcomes for the society also to encourage the Student Participation in community services and extension activities.

So kindly allow us to do this plantation drive in collaboration with NSS.

Thank you

Date: 6.12.2023

*As desired please go ahead with the plantation drive as outreach activities all needed to be conducted regularly. Also, please provide requirement for saplings & transportation, if needed.*
