# Brief Report

**Department of Computer Application** organized **"APTI-TECH 2015",** an aptitude competition under the aegis of Career Counseling Committee on **18th – 19th March 2015**. The event brought together existing and aspiring enthusiasts from all branches of different Departments of the University. There were two rounds in the test: The first round was Aptitude Test (Objective) and second round was Technical Test (Objective), and it was mandatory for the registered students to appear in both rounds. The main focus was to guide the students for preparation of entrance exams of different Industries.

There was a good turnover of registered students, a total of 315 students registered and appeared in the test. **Shahbe Alam** of MCA 2nd year won the first prize.
