**A Brief Report on World Antimicrobial Resistance Awareness Week (WAAW)-2024 observed by
Faculty of Pharmacy, Integral University, Lucknow
from 18 to 24 November, 2024**

The World Health Organization observes **World Antimicrobial Resistance Awareness Week (WAAW)** every year from **November 18 to 24** in order to apprise the community on global antimicrobial resistance. This year the theme for World Antimicrobial Resistance Awareness Week is *“Educate. Advocate. Act now.”* We must improve the global prescribing and use of antibiotic and antifungal drugs and invest in global prevention actions across the health of humans, animals, plants, and the environment. It promotes the dissemination of knowledge in order to prevent and minimize resistance. In this context, the Faculty of Pharmacy successfully observed through various events and faculty and students surrounding the city participated in various awareness competitive events. The following program was successfully observed:

Events/Activities

Slogan Writing Competition

Slogan writing competition was conducted on 18.11.2024 (Monday) on the theme “*Fighting Antimicrobial Resistance Takes All of Us*”. It was a remarkable competition with novel ideas and appealing content. All the students participated with confidence and sincerity, and finally Ms. Sania Asma Parveen & Mr. Ahmad Qamar (Pharm.D., III year), Mr. Sameer Ahmad Khan (D.Pharm., II year) and Ms. Jasmin Mehdi (M.Pharm. Pharmaceutics, II year) secured the first, second and third position and was awarded with cash prize of Rs. 1200/-, 1000/- & 800/- accordingly. The faculty coordinators for Slogan Writing include Prof. (Dr.) Poonam Kushwaha, Dr. Reshu Tiwari, Dr. Farogh Ahsan, Ms. Gazala Noor, Ms. Rukhsar Anwar, and Mr. Shyan Khan.

Debate Competition

Debate competition was conducted on 19.11.2024 (Tuesday) on the theme “*Global Antimicrobial Resistance*”. All the students participated with confidence and sincerity, and finally Ms. Alkusha Naim (Pharm.D., IV year), Mr. Tufail Hussain (Pharm.D., II year) and Ms. Sania Asma Parveen & Mr. Ahmad Qamar (Pharm.D. III year) secured the first, second and third position and was awarded with cash prize of Rs. 1200/-, 1000/- & 800/- accordingly. The faculty coordinators for the Debate Competition include Prof. (Dr.) Shazia Usmani, Dr. Mohd. Javed Ansari, Mr. Ranjan Kumar, Dr. Mohd. Muazzam Khan, and Ms. Zeba Masoom.

Civil Hospital Visit

As a part of an awareness drive for healthcare professionals and patients, a hospital visit was organized in Shyama Prasad Mukherjee Civil Hospital which is a Government Hospital in Hazrat Ganj, Lucknow on 20.11.2024 (Wednesday). The main focus of the visit was to raise awareness among physicians, health care specialists, patients, and the general public regarding the rational use of antibiotics. As medical experts, pharmacists, also counsel patients on the proper way of storage and administration of antibiotics and advise the duration of treatment as part of the “*Human Health & Antimicrobial Resistance*” an effort by the WHO to raise awareness about the importance of safe antibiotic prescribing and use. The faculty coordinators for Civil Hospital Visit include Dr. Irfan Aziz, Dr. Md. Azizur Rahman, Dr. Faheem Haidar, Dr. Mohammad Monawwar, Ms. Nargis Ara, and Ms. Manvi.

Nukkad Natak (Street Play)

The street play (Nukkad Natak) was performed by the student participants on the theme “*Human Health & Antimicrobial Resistance*” in the adopted village Behta on 20.11.2024 (Wednesday). Soon after, the students clarified the doubts of the spectators. It was an interesting event and attracted the attention of spectators towards the prevention of antimicrobial resistance and the use of the right medicine at the right time with the right dose from the qualified health care professional. The drive also includes the distribution of pamphlets to the local public in their native language, and sensitizing the general public about the proper usage of antibiotics. It was a door to door campaign. The faculty coordinators for Nukkad Natak include Dr. Shom Prakash Kushwaha, Dr. Asad Ahmad, Ms. Arnica F. Lal, Mr. Anas Islam, Ms. Aditya Singh.

Essay Writing Competition

An essay writing competition was conducted on 21.11.2024 (Thursday) on the theme “*Animal Health & Antimicrobial Resistance*”. It was a healthy competition among the participants across the city and finally Mr. Sahil Qamar (B.Pharm. IV year), Mr. Priyam Kumar Rai, (B.Pharm., III year, Hygia Institute of Pharmacy) and Mr. Mohd Tauhid Hussain (Pharm.D., IV year) secured the first, second and third position and awarded with cash prize of Rs. 1200/-, 1000/- & 800/- accordingly. The faculty coordinators for essay writing competition include Prof. (Dr.) Kuldeep Singh, Dr. Mohd. Aftab Siddiqui, Ms. Shabana Khatoon, Ms. Rufaida Waseem, Mr. Abdur Rahman, Mr. Govind Kumar.

Poster Presentation
